Dear Mayor Douglas and Councilmembers,

We, the undersigned residents and business owners of the Reunion neighborhood in Commerce City, express our enthusiastic support for the proposed establishment of Social Cannabis in our community. Our endorsement is rooted in the belief that Social embodies the values and priorities vital to our neighborhood's growth, well-being, and prosperity. We wish to highlight several key reasons why we wholeheartedly support this initiative:

1. **Community Engagement and Involvement:** Social has demonstrated an unwavering commitment to active community engagement. Their pledge to involve residents and businesses in decision-making processes, foster local partnerships, and support neighborhood initiatives aligns perfectly with our vision for a cohesive and thriving community. But beyond Social's commitment to positively impacting our community, they have a proven track record of engagement. Their Be.Social Community Campaign has donated over \$13,000 to local non-profits since 2023. Their efforts are a much-needed addition to our community.
2. **Economic Benefits:** We anticipate that Social will significantly contribute to our neighborhood's economic vitality. Through job creation, local spending, and support for neighboring businesses, their presence will stimulate growth and enhance the economic landscape of Reunion. Social will immediately impact the sales tax collected by Commerce City, and it will almost certainly lead consumers in the Reunion area to shop locally instead of spending their tax dollars in Denver and other surrounding cities.
3. **Safety and Compliance:** A paramount concern for us is the safety and well-being of our community members, especially our youth. We commend Social's steadfast commitment to maintaining strict adherence to all legal regulations, ensuring that individuals under the age of 21 are not exposed to cannabis products within or around their premises. Social also has a proven track record of operations, compliance, and safety in their business practices.
4. **Sustainability Initiatives:** We are impressed by Social's dedication to sustainability. Their eco-conscious practices and initiatives underscore a responsible approach to business that resonates with our community's values of environmental stewardship. This includes offering compliant, reusable packaging, using eco-friendly practices in their buildout process, and partnering with local organizations focusing on sustainability.
5. **Overall Positive Impact:** The absence of a dispensary in our immediate vicinity has left a void in accessibility to cannabis products for residents. We believe Social will fulfill this need, providing a

reliable source for individuals seeking cannabis-related products and services within our community. Recognizing the importance of informed choices, Social prioritizes accessibility and education regarding cannabis products. Their dedication to providing accurate information and guidance promotes responsible usage among consumers. We firmly believe that Social will bring about a positive transformation in Reunion. Their commitment to ethical business practices, community support, and active involvement in local initiatives ensures a holistic and beneficial impact on our neighborhood.

In conclusion, we urge you to consider the overwhelming support of the undersigned residents and business owners for Social Cannabis Dispensary in Reunion. We are confident that their presence will be an asset to our neighborhood.

Thank you for considering our collective viewpoint. We eagerly anticipate the positive contribution that Social Cannabis will make to our vibrant community.

Subject: Support for Social Cannabis Dispensary in Reunion, Commerce City

Dear Mayor Douglas and Councilmembers,

We, the undersigned residents and business owners of the Reunion neighborhood in Commerce City, express our enthusiastic support for the proposed establishment of Social Cannabis in our community.

Our endorsement is rooted in the belief that Social embodies the values and priorities vital to our neighborhood's growth, well-being, and prosperity. We wish to highlight several key reasons why we wholeheartedly support this initiative:

- 1. Community Engagement and Involvement:** Social has demonstrated an unwavering commitment to active community engagement. Their pledge to involve residents and businesses in decision-making processes, foster local partnerships, and support neighborhood initiatives aligns perfectly with our vision for a cohesive and thriving community. But beyond Social's commitment to positively impacting our community, they have a proven track record of engagement. Their Be.Social Community Campaign has donated over \$13,000 to local non-profits since 2023. Their efforts are a much-needed addition to our community.
- 2. Economic Benefits:** We anticipate that Social will significantly contribute to our neighborhood's economic vitality. Through job creation, local spending, and support for neighboring businesses, their presence will stimulate growth and enhance the economic landscape of Reunion. Social will immediately impact the sales tax collected by Commerce City, and it will almost certainly lead consumers in the Reunion area to shop locally instead of spending their tax dollars in Denver and other surrounding cities.
- 3. Safety and Compliance:** A paramount concern for us is the safety and well-being of our community members, especially our youth. We commend Social's steadfast commitment to maintaining strict adherence to all legal regulations, ensuring that individuals under the age of 21 are not exposed to cannabis products within or around their premises. Social also has a proven track record of operations, compliance, and safety in their business practices.
- 4. Sustainability Initiatives:** We are impressed by Social's dedication to sustainability. Their eco-conscious practices and initiatives underscore a responsible approach to business that resonates with our community's values of environmental stewardship. This includes offering compliant, reusable packaging, using eco-friendly practices in their buildout process, and partnering with local organizations focusing on sustainability.

Subject: Support for Social Cannabis Dispensary in Reunion, Commerce City

Dear Mayor Douglas and Councilmembers,

We, the undersigned residents and business owners of the Reunion neighborhood in Commerce City, express our enthusiastic support for the proposed establishment of Social Cannabis in our community.

Our endorsement is rooted in the belief that Social embodies the values and priorities vital to our neighborhood's growth, well-being, and prosperity. We wish to highlight several key reasons why we wholeheartedly support this initiative:

- 1. Community Engagement and Involvement:** Social has demonstrated an unwavering commitment to active community engagement. Their pledge to involve residents and businesses in decision-making processes, foster local partnerships, and support neighborhood initiatives aligns perfectly with our vision for a cohesive and thriving community. But beyond Social's commitment to positively impacting our community, they have a proven track record of engagement. Their Be.Social Community Campaign has donated over \$13,000 to local non-profits since 2023. Their efforts are a much-needed addition to our community.
- 2. Economic Benefits:** We anticipate that Social will significantly contribute to our neighborhood's economic vitality. Through job creation, local spending, and support for neighboring businesses, their presence will stimulate growth and enhance the economic landscape of Reunion. Social will immediately impact the sales tax collected by Commerce City, and it will almost certainly lead consumers in the Reunion area to shop locally instead of spending their tax dollars in Denver and other surrounding cities.
- 3. Safety and Compliance:** A paramount concern for us is the safety and well-being of our community members, especially our youth. We commend Social's steadfast commitment to maintaining strict adherence to all legal regulations, ensuring that individuals under the age of 21 are not exposed to cannabis products within or around their premises. Social also has a proven track record of operations, compliance, and safety in their business practices.
- 4. Sustainability Initiatives:** We are impressed by Social's dedication to sustainability. Their eco-conscious practices and initiatives underscore a responsible approach to business that resonates with our community's values of environmental stewardship. This includes offering compliant, reusable packaging, using eco-friendly practices in their buildout process, and partnering with local organizations focusing on sustainability.
- 5. Overall Positive Impact:** The absence of a dispensary in our immediate vicinity has left a void in accessibility to cannabis products for residents. We believe Social will fulfill this need, providing a

reliable source for individuals seeking cannabis-related products and services within our community. Recognizing the importance of informed choices, Social prioritizes accessibility and education regarding cannabis products. Their dedication to providing accurate information and guidance promotes responsible usage among consumers. We firmly believe that Social will bring about a positive transformation in Reunion. Their commitment to ethical business practices, community support, and active involvement in local initiatives ensures a holistic and beneficial impact on our neighborhood.

In conclusion, we urge you to consider the overwhelming support of the undersigned residents and business owners for Social Cannabis Dispensary in Reunion. We are confident that their presence will be an asset to our neighborhood.

Reunion, Commerce City Community Support Letter

Subject: Support for Social Cannabis Dispensary in Reunion, Commerce City

Dear Mayor Douglas and Councilmembers,

We, the undersigned residents and business owners of the Reunion neighborhood in Commerce City, express our enthusiastic support for the proposed establishment of Social Cannabis in our community.

Our endorsement is rooted in the belief that Social embodies the values and priorities vital to our neighborhood's growth, well-being, and prosperity. We wish to highlight several key reasons why we wholeheartedly support this initiative:

- 1. Community Engagement and Involvement:** Social has demonstrated an unwavering commitment to active community engagement. Their pledge to involve residents and businesses in decision-making processes, foster local partnerships, and support neighborhood initiatives aligns perfectly with our vision for a cohesive and thriving community. But beyond Social's commitment to positively impacting our community, they have a proven track record of engagement. Their Be.Social Community Campaign has donated over \$13,000 to local non-profits since 2023. Their efforts are a much-needed addition to our community.
- 2. Economic Benefits:** We anticipate that Social will significantly contribute to our neighborhood's economic vitality. Through job creation, local spending, and support for neighboring businesses, their presence will stimulate growth and enhance the economic landscape of Reunion. Social will immediately impact the sales tax collected by Commerce City, and it will almost certainly lead consumers in the Reunion area to shop locally instead of spending their tax dollars in Denver and other surrounding cities.
- 3. Safety and Compliance:** A paramount concern for us is the safety and well-being of our community members, especially our youth. We commend Social's steadfast commitment to maintaining strict adherence to all legal regulations, ensuring that individuals under the age of 21 are not exposed to cannabis products within or around their premises. Social also has a proven track record of operations, compliance, and safety in their business practices.
- 4. Sustainability Initiatives:** We are impressed by Social's dedication to sustainability. Their eco-conscious practices and initiatives underscore a responsible approach to business that resonates with our community's values of environmental stewardship. This includes offering compliant, reusable packaging, using eco-friendly practices in their buildout process, and partnering with local organizations focusing on sustainability.
- 5. Overall Positive Impact:** The absence of a dispensary in our immediate vicinity has left a void in accessibility to cannabis products for residents. We believe Social will fulfill this need, providing a

reliable source for individuals seeking cannabis-related products and services within our community. Recognizing the importance of informed choices, Social prioritizes accessibility and education regarding cannabis products. Their dedication to providing accurate information and guidance promotes responsible usage among consumers. We firmly believe that Social will bring about a positive transformation in Reunion. Their commitment to ethical business practices, community support, and active involvement in local initiatives ensures a holistic and beneficial impact on our neighborhood.

In conclusion, we urge you to consider the overwhelming support of the undersigned residents and business owners for Social Cannabis Dispensary in Reunion. We are confident that their presence will be an asset to our neighborhood.

To Whom It May Concern,

I'm writing to express our support for Social Cannabis and their impactful initiatives in collaboration with Bienvenidos Food Bank.

Since August, Social Cannabis has been actively engaged in organizing food drives at their stores, significantly contributing to addressing local food insecurity. Their commitment extends beyond food donations, as they made a generous donation of \$3,085.50 in August, further demonstrating their dedication to making a positive impact in our community.

Social Cannabis's commitment to social responsibility is evident, and I believe their ongoing efforts will continue to positively impact the communities they serve.

Sincerely,

Greetings Community Members,

We are writing on behalf of Cannabis Doing Good to express our support and admiration for the exceptional work being carried out by Social Cannabis, particularly through their Be.Social Community program. Over the past 9 years of supporting cannabis companies to be community assets in Colorado, and across North America, we have not seen a company do so much good work on its own. This team began this work because this is a part of the fabric of who the team at Social Cannabis is and will always be.

Having had the privilege of collaborating with Social Cannabis on refining their community engagement plan, we have witnessed firsthand the dedication and commitment that the team brings to fostering meaningful connections between the cannabis industry and local communities.

The initiatives undertaken by Social Cannabis reflect a genuine desire to create a positive impact. The Be.Social Community program, in particular, shines brightly as a testament to the power of conscientious corporate citizenship. Its efforts not only resonate within the cannabis industry but also serve as a guiding light for others looking to make a tangible difference in their communities.

We commend Social Cannabis for its dedication to social responsibility and community empowerment. Their proactive approach and genuine commitment to effecting positive change are commendable and inspire others in the industry. Cannabis Doing Good stands beside Social Cannabis in its endeavors to set the standard for what an engaged and socially conscious cannabis company can achieve.

Sincerely,

To whom it may concern,

It is my pleasure to write a letter of recommendation for Social Dispensary. Our non-profit helps recently released inmates reenter society. We believe that everyone deserves a second chance, and that a fresh start is a basic human right.

Social Dispensary has been a great partner for us through their Be.Social Community program. They are donating a portion of sales to our fund which will be a great help in our mission.

I know that the founders of Social Dispensary are committed to community engagement and will be a great addition to the Highland Park community.

Sincerely,

Luke Gregory

To Whom Ever It May Concern,

I hope this letter finds you well. It is with great pleasure that I write to express my endorsement of Social Brands LLC.

In our recent interactions, it has been an absolute pleasure to work with the Social Brands team. Their genuine passion for community involvement has truly set them apart.

One aspect that particularly impressed me is Social Brand's unwavering commitment to giving back to the local community. Through various initiatives and projects, they have consistently demonstrated a strong sense of responsibility and altruism. Their efforts extend beyond the bottom line, and it is evident that they view success not only in financial terms but also in the positive impact they can have on the community they serve.

Moreover, I would like to highlight Social Brand's commendable work. Their efforts go beyond the traditional business paradigm, and they actively engage in initiatives that contribute to the betterment of society.

Perhaps most notably, Social Brands and its members have pledged to support the North Side High School Alumni Scholarship Foundation. Their commitment to providing a \$10,000 annual scholarship is a testament to their belief in the power of education and their desire to invest in the future of our community. This generous contribution will undoubtedly have a profound and positive impact on the lives of deserving students, creating opportunities for personal and academic growth. The Social Brands team has done this without any request to promote their brand or their businesses.

In conclusion, I wholeheartedly endorse Social Brands and commend their dedication to excellence, community engagement, selfless initiatives, and substantial commitment to supporting education through the North Side High School Alumni Scholarship Foundation.

If you have any further questions or if I can provide additional information, please do not hesitate to reach out.

Sincerely,

To whom it may concern,

I am writing on behalf of Social Dispensary. Early in 2021 their organization applied for a highly competitive dispensary license in North Denver. Their team was very proactive in reaching out to the registered neighborhood organizations and their vision aligned with our goals of building an inclusive and engaged community.

Social Dispensary started their outreach a long time before they even knew that they would be awarded a license, hosting a local toy drive to benefit Mt. Saint Vincent's Home for Kids. They have also engaged in our community meetings and lived up to the engagement plan they presented to us last year.

I was so impressed with this business that I testified in support at their licensing hearing. I would highly recommend them as a great addition to any community. Their business model and commitment to engagement, education, and sustainability will certainly be a benefit to Highland Park.

Sincerely,

Trupti Suthar
