

ORDINANCE NO. 2431

INTRODUCED BY: ALLEN-THOMAS, DAVIS, DOUGLAS, FORD, HURST, HUSEMAN, MADERA, NOBLE

AN ORDINANCE AMENDING THE COMMERCE CITY REVISED MUNICIPAL CODE BY ADDING A SECTION RESTRICTING UNAUTHORIZED URBAN CAMPING

WHEREAS, the City of Commerce City ("City"), is an urbanized municipality containing a variety of zoning districts including industrial, commercial, residential, and planned unit developments, encompassing a wide variety of land uses and population densities;

WHEREAS, communities along the Front Range, including the City and other communities in the Metro Denver area, are experiencing a crisis with regard to providing affordable housing options;

WHEREAS, despite the City's efforts and programming to provide affordable housing, including those efforts through its Urban Renewal Authority and the lawful utilization of its ability to influence development, the housing crisis, in conjunction with multiple other factors, has caused an increase in persons experiencing homelessness within City limits, and as a result, an increase in camping on private and public property resulting in secondary impacts to the City and its residents, including costs to the City;

WHEREAS, the establishment of outdoor urban encampments has created hazardous conditions for persons living in such encampments, caused environmental degradation, and in some cases, damage to private and public property, including City facilities, and further interfered with the public use of the property, including, but not limited to, the free movement of persons in the public right of way;

WHEREAS, through multiple concurrent initiatives of the City, the City desires to assess the reasons and causes for homelessness, continue to identify persons experiencing homelessness in the City, and provide such persons with meaningful human services and shelter through partner entities and organizations and City programs, while simultaneously protecting private and public property and facilities from damage and degradation;

WHEREAS, as a precursor to providing shelter and needed human services, and in order to protect those private and public properties, the City desires a reasonable and justifiable means to facilitate interaction with homeless persons and facilitate the provision of such services;

WHEREAS, placing a reasonable restriction on camping in the City provides such a tool while further providing the City an opportunity to address the significant secondary effects or urban camping;

WHEREAS, the intent of this ordinance is not punitive, but instead to provide meaningful assistance to persons experiencing homelessness, and in doing so the City Council encourages understanding, compassion, and mercy on the part of City Prosecutors and the Commerce City Municipal Judges with regard to this ordinance and the overall goals to be achieved as reflected herein; and

WHEREAS, the City Council finds it necessary to enact a reasonable restriction on camping on private and public property within the City.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF COMMERCE CITY, COLORADO, AS FOLLOWS:
