

GRANT AGREEMENT

Project Name: Northeast Metro Coalition
Contract Number: 16501
Completion Date: August 23, 2017

PARTIES TO AGREEMENT:

Board: The State Board of the Great Outdoors Colorado Trust Fund
Address: 303 East 17th Avenue, Suite 1060
Denver, CO 80203

Grantee: City of Commerce City

CONTEXT OF AGREEMENT:

A. The State Board of the Great Outdoors Colorado Trust Fund (referred to herein as “GOCO” or the “Board”) is a political subdivision of the State of Colorado, created by Article XXVII of the Colorado Constitution, adopted at the November 1992 General Election, which article appropriates a portion of the net proceeds of the Colorado Lottery to the Board and directs the Board to invest those proceeds in the State’s parks, wildlife, open space and recreational resources.

B. In 1994, the Board created a statewide grant program, pursuant to which eligible entities could apply for grants to plan for local government parks and outdoor recreation projects to which Grantee responded with a detailed application (the “Project Application”).

C. Grantee submitted a Project Application to the Board which contemplates the execution of the project entitled and described above (the “Project”). The Project is briefly described in the Project Summary attached hereto as Exhibit A. The parties acknowledge that they have on file a complete copy of the Project Application, which is incorporated herein by reference.

D. The Board approved Grantee’s Project Application on October 23, 2015, subject to the execution of a detailed grant agreement, and subject to the terms and conditions set forth herein. The parties intend this agreement to be the detailed final grant agreement required by the Board (the “Agreement”).

AGREEMENT

NOW, THEREFORE, in consideration of the parties’ mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Incorporation of Recitals. The Recitals set forth above are hereby incorporated into the terms and conditions of this Agreement.

2. Representations and Warranties of Grantee.

a. Grantee is a Municipality, duly organized in accordance with the laws of Colorado and has full and lawful authority to enter into, and comply with the terms of, this Agreement.

b. Grantee's governing body has authorized entering into this Agreement as evidenced by the resolution attached hereto as Exhibit B.

3. Grant and Project. Subject to the terms and conditions set forth in this Agreement, the Board hereby awards to Grantee a sum not to exceed \$100,000.00 (the "Grant"). The Grant shall be used by Grantee solely to complete the Project, in substantial conformity with the Project Application.

4. Project Scope. Grantee shall not materially modify the Project or the Project budget (attached hereto as Exhibit C, the "Budget") without the prior written approval of the Executive Director of GOCO ("Executive Director") or the Executive Director's designee, such approval to be in GOCO's sole discretion. Any material modification to the Project undertaken without GOCO's prior written consent may be deemed a breach of this Agreement by GOCO, entitling GOCO to all remedies available under this Agreement. If Grantee determines with reasonable probability that the Project will not or cannot be completed as reflected in the Project Application, Grantee will promptly so advise the Board, and cooperate in good faith to seek a resolution before any further funds are advanced.

5. Grantee Efforts. Grantee shall complete the Project in a timely fashion, in a good and workmanlike manner, and consistent with this Agreement and GOCO's approvals related to the Project.

6. Completion Date. Grantee shall complete the Project and submit its Final Report no later than August 23, 2017 (the "Completion Date"). Grantee may request an extension of the Completion Date in compliance with GOCO's Overdue Grants Policy, which is attached as Exhibit D ("Overdue Grants Policy"). If Grantee determines with reasonable probability that the Project will not or cannot be completed by the Completion Date or any extended completion date, Grantee will promptly so advise the Board, and cooperate in good faith to seek a resolution before any further funds are advanced.

7. Matching Funds. Grantee shall obtain the matching cash and in-kind contributions for the Project as reflected in the Budget and as required by GOCO policy, and shall provide such evidence of the same as GOCO may require in its discretion from time-to-time.

8. Disbursement of Funds.

a. Advance Payment: If Grantee opts to receive a portion of the Grant funds prior to beginning work on the Project (an "Advance Payment"), Grantee shall provide GOCO with the

documentation and calculations described in GOCO's Advance Payment Request Form (available at www.goco.org or by contacting GOCO). GOCO may, in its discretion, request additional documentation to support making an Advance Payment. An Advance Payment shall not exceed GOCO's percentage of expected overall costs (as determined by the GOCO-approved budget) applied to the value of documented eligible expenses or 50% of the Grant, whichever is less. An Advance Payment shall be considered a loan until the Project is complete and Final Payment (as defined below) has been made. If Grantee opts to receive an Advance Payment, it may not receive a Progress Payment (as defined below).

b. Progress Payment: If Grantee has opted to forego an Advance Payment and has opted to receive a portion of the Grant funds after starting but prior to completing work on the Project (a "Progress Payment"), Grantee shall provide GOCO with a progress report detailing expenditures and progress made to date ("Progress Report"). The Progress Report must be submitted using GOCO's Progress Report form (available at www.goco.org or by contacting GOCO). GOCO may, in its discretion, request additional documentation to support making a Progress Payment. A Progress Payment shall not exceed 75% of the funds expended to date for the Project or 50% of the Grant, whichever is less. A Progress Payment shall be considered a loan until the Project is complete and Final Payment (as defined below) has been made. If Grantee received an Advance Payment, it may not receive a Progress Payment.

c. Final Payment: Once the Project is complete, Grantee shall submit a final report to GOCO detailing the accomplishments of and expenditures related to the Project (the "Final Report"). The Project is "complete" when all the tasks and final products contemplated in the Project Application have been completed. The Final Report must be submitted using GOCO's Final Report form (available at www.goco.org or by contacting GOCO). GOCO may, in its discretion, request additional documentation before its approval of the contents of the Final Report. Upon GOCO's review and approval of the Final Report, GOCO shall pay the outstanding balance on the Grant (the "Final Payment"), subject to any reductions contemplated by any provision of this Agreement.

9. Conditions for Disbursement of Funds. Except as provided in Paragraph 10 below, the Grant is subject to the following requirements and conditions.

a. The Grant and all matching funds shall be used only for eligible expenses approved by GOCO.

b. Disbursement of Grant funds shall be made on the basis of costs actually incurred by Grantee and supported by written documentation (receipts, bills, etc.).

c. Except as otherwise agreed to in advance by GOCO in accordance with the terms of this Agreement, no material modifications may be made to the Project. Material modifications to the Project to which GOCO has not agreed may result in a reduction in the Grant. "Material modifications" may include, but are not necessarily limited to, a reduction in the total cost of the Project, a reduction in the scope of the anticipated planning process (for example, elimination of an element of a master plan), or any other variance from the Project as presented in the Project Application. It is the sole responsibility of Grantee to inform GOCO of any such modifications to the Project. GOCO strongly encourages Grantee to contact GOCO in writing when it becomes aware of or wishes to make any such modifications, however seemingly minor, to the Project.

10. Waiver. The Executive Director or the Executive Director's designee may in such person's discretion, waive or agree to modify one or more of the obligations in sections 8, 9, and 16 of the Agreement, or may permit performance of one or more of such obligations subsequent to disbursement.

11. Payment of Grant Subject to Sufficient Net Lottery Proceeds. Payment of the Grant is subject to GOCO's determination in its sole discretion that it has received and has available sufficient net lottery proceeds to fund the Grant. In determining the sufficiency of net lottery proceeds, GOCO may consider all facts and circumstances as it deems necessary or desirable in its discretion, including, but not limited to, adequate reserves, funding requirements and/or commitments for other past, current and future grants, and past, current and future GOCO operating expenses and budgetary needs.

12. Compliance with Regulatory Requirements and Federal and State Mandates. The Grantee hereby assumes responsibility for compliance with all regulatory requirements in all applicable areas, including but not limited to nondiscrimination, worker safety, local labor preferences, preferred vendor programs, equal employment opportunity, use of competitive bidding, and other similar requirements. To the extent permitted by law, the Grantee will indemnify the Board from any liability or any failure to comply with any such applicable requirements.

13. Nondiscrimination. During the performance of this agreement, the Grantee and its contractors shall not unlawfully discriminate against any employee or applicant for employment because of race, religion, color, national origin, ancestry, physical handicap, medical condition, marital status, age, or sex. The Grantee and its contractors shall ensure that the evaluation and treatment of their employees and applicants for employment are free of such discrimination.

14. Publicity and Project Information.

- a. Grantee shall acknowledge Board funding in all publicity issued by it concerning the Project.
- b. Grantee shall cooperate with the Board in preparing public information pieces.
- c. Grantee shall give the Board the right and opportunity to use information gained from the Project.
- d. If Grantee uses the Grant to create, maintain, or update its website or uses its website to disseminate information about the Project, Grantee shall acknowledge Board funding on its website.
- e. If Grantee uses the Grant to create, publish, or update any written material or uses such written material to disseminate information about the Project, Grantee shall acknowledge Board funding in the written material.

f. If any events are planned in relationship to or as part of the Project, Grantee shall acknowledge the Board as a contributor to the event and shall notify the Board at least thirty (30) days prior to the event.

15. Liability.

a. Grantee shall be responsible for, and to the extent permitted by law (including any constitutional or statutory limitations on the ability of a governmental entity to provide indemnification), indemnify, defend and hold harmless the Board, its officers, agents and employees from any and all liabilities, claims, demands, damages or costs (including reasonable legal fees) resulting from, growing out of, or in any way connected with or incident to Grantee's performance of this Agreement. Grantee hereby waives any and all rights to any type of express or implied indemnity or right of contribution from the State of Colorado, the Board, its members, officers, agents or employees, for any liability resulting from, growing out of, or in any way connected with or incident to this Agreement. Grantee acknowledges that Grantee is the owner of the Project and the Property upon which it is located, or has control of the Project and the Property, and that GOCO neither possesses nor controls the Project, the Property, nor the operations of the Project.

b. Anything else in this Agreement to the contrary notwithstanding, no term or condition of this Agreement shall be construed or interpreted as a waiver, either express or implied, of any of the immunities, rights, benefits or protection provided to the Board under the Colorado Governmental Immunity Act ("CGIA") as amended or as may be amended in the future (including, without limitation, any amendments to such statute, or under any similar statute which is subsequently enacted). This provision may apply to Grantee if Grantee qualifies for protection under the Colorado Governmental Immunity Act, C.R.S. §24-10-101 *et seq.* The Board and Grantee understand and agree that liability for claims for injuries to persons or property arising out of the negligence of the Board, its members, officials, agents and employees may be controlled and/or limited by the provisions of the CGIA. The parties agree that no provision of this Agreement shall be construed in such a manner as to reduce the extent to which the CGIA limits the liability of the Board, its members, officers, agents and employees.

16. Audits and Accounting. Grantee shall maintain standard financial accounts, documents, and records relating to the use, management, and operation of the Project. The accounts, documents, and records related to the Project shall be retained by the Grantee for five (5) years following the date of disbursement of funds under this Agreement. The Board, or its designated agent, shall have the right, upon reasonable notice to the Grantee, to audit the books and records of Grantee which pertain to the Project and to the use and disposition of Board funds. The Grantee may use any accounting system which follows the guidelines of "Generally Accepted Accounting Practices" published by the American Institute of Certified Public Accountants.

17. Withdrawal of Board Funding. Anything else in this Agreement or otherwise to the contrary notwithstanding, the Board may withdraw, in whole or in part, the Grant and/or terminate this Agreement, and/or seek a refund of payments already made if the Board determines in its discretion that:

- a. facts have arisen or situations have occurred that fundamentally alter the expectations of the parties or make the purposes for the Grant as contemplated infeasible or impractical;
- b. any material modifications in the scope or nature of the Project have occurred from that which was presented in the Project Application and such material modifications have not received the prior written approval of GOCO;
- c. any statement or representation made by Grantee in the Project Application, this Agreement, the Advance Payment documentation, the Progress Report, the Final Report, or otherwise is untrue, inaccurate or incomplete in any material respect;
- d. the results of GOCO's review of the Advance Payment documentation, the Progress Report, or the Final Report are not acceptable to GOCO;
- e. the Project will not or cannot be completed by the Completion Date or any extensions granted thereto or delays in the implementation of the Project have occurred which, in the Board's judgment, make the Project impracticable;
- f. the Project will not or cannot be completed within the Budget or any approved modifications, or the total Project cost and/or Grantee's matching funding are reduced;
- g. sufficient net lottery proceeds are not available to fund the Grant.

18. Breach.

- a. In the event that Grantee breaches any of the terms, covenants, representations, or conditions of this Agreement, the Board may elect to enforce any and all remedies available at law or in equity, including without limitation, any of the following:
 - i. Prior to payment of Grant:
 - A. Withdraw the Grant and terminate this Agreement; and,
 - B. Deny Grantee eligibility for participation in future Board grants, loans or projects.
 - ii. After payment (partial or full) of Grant:
 - A. Deny Grantee eligibility for participation in future Board grants, loans or projects;
 - B. Seek specific performance of Grantee's obligations under this Agreement;
 - C. Receive reimbursement in full of disbursement made under the Grant.
- b. The foregoing remedies are cumulative and may be exercised independently or in combination and are not exclusive to one another or to any other remedies available at law or in

equity. In the event GOCO must pursue any remedy hereunder and is the substantially prevailing party, GOCO shall be awarded its costs and reasonable legal fees, including costs of collection.

19. Good Faith. There is an obligation of good faith on the part of both parties, including the obligation to make timely communication of information which may reasonably be believed to be material to the other party.

20. Assignment. Grantee may not assign its rights under this Agreement without the consent of the Board, which consent shall be in the discretion of the Board. Any assignment shall require, at a minimum, that the assignee is eligible to receive grants from the Board and assumes Grantee's ongoing obligations under this Agreement

21. Applicable Law. This Agreement shall be governed by the laws of the State of Colorado and venue for any dispute hereunder shall lie exclusively in the State Courts of the City and County of Denver.

22. No Joint Venture. Nothing in this Agreement shall be construed to create a joint venture, partnership, employer/employee or other relationship between the parties hereto other than independent contracting parties. Except as permitted under the remedies provisions hereunder, neither party shall have the express or implied right to act for, on behalf of, or in the name of the other party.

23. Severability. If any provision of this Agreement, or the application thereof, is found to be invalid, the remainder of the provisions of this Agreement, or the application of such provision, other than those as to which it is found to be invalid, shall remain in full force and effect.

24. Time is of the Essence. Time is of the essence in this Agreement.

25. Survival. The terms and provisions of this Agreement and the parties' covenants hereunder shall survive the funding of the Grant and the completion of the Project.

26. Fax and Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be an original, but all of which when taken together shall constitute one Agreement. In addition, the parties agree to recognize signatures of this Agreement transmitted by telecopy or e-mail as if they were original signatures.

27. Third Party Beneficiary. The Board and Grantee hereby acknowledge and agree that this Agreement is intended only to cover the relative rights and obligations between the Board and Grantee, and that no third party beneficiaries are intended.

28. Construction. Each party hereto has reviewed and revised (or requested revisions of) this Agreement, and therefore, any usual rules of construction requiring that ambiguities are to be resolved against a particular party shall not be applicable in the construction and interpretation of this Agreement.

29. Waiver. The failure of either party to enforce a term hereof shall not be deemed a waiver of such term or right of enforcement as to that breach or any subsequent breach of the same, similar or

different nature. No waiver shall be enforceable hereunder unless signed by the party against whom the waiver is sought to be enforced.

30. Entire Agreement. Except as expressly provided herein, this Agreement constitutes the entire agreement of the parties. No oral understanding or agreement not incorporated in this Agreement shall be binding upon the parties. No changes to this Agreement shall be valid unless made as an amendment to this contract, approved by the Board, and signed by the parties.

IN WITNESS WHEREOF, the parties by signature below of their authorized representatives execute this Agreement effective as of .

Project Description:

The vision of the Northeast Metro Coalition is that every young person - wherever they live and regardless of resources - has abundant opportunities to connect and engage with the outdoors in ways that are inspirational, transformational, and meaningful to them and will cultivate a new generation of stewards of nature. We are proposing to focus our efforts in the lower-income communities surrounding our physical hub -- the Rocky Mountain Arsenal National Wildlife Refuge.

Our target geography includes rich resources of inspiring outdoor spaces and there are numerous plans to improve connectivity between these outdoor spaces and the communities that surround them. However, we know that the kids in these neighborhoods have significant barriers that limit their ability or desire to connect with these outdoor places. Our target neighborhoods include approximately 27,900 youth. The childhood poverty rate is 42%; over 25% of the adults do not speak English well; and over 77% of the residents are people of color (58% Latino and 19% African American). These youth experience numerous barriers including physical access barriers (highways, industrial zones, poor pedestrian infrastructure) ; familiarity barriers (not knowing that the outdoor places exist or what to do there) ; relationship barriers (don't see people who "look like them" utilizing these places); and perception barriers (not sure that these outdoor spaces - many of them former industrial sites - have been safely cleaned up). Our coalition also has an overarching concern that the youth have a deeper barrier -- a basic lack of valuing time spent exploring outdoors. For many children in our target geographic area, time exploring outdoors is not the first or even second choice for activities.

The Northeast Metro Coalition partners collectively offer a broad spectrum of nature-based and outdoors programming for the youth in our target area. We are starting from a very strong foundation of pre-existing programming and expertise, but our project will not simply coordinate our partners' pre-existing programming and increase the numbers of youth served. We expect that feedback from the community may reveal gaps in service or elements missing from our current programming, such as

inadequate cultural competency. Our aims are profound: ultimately, we want programming that sparks change in how local youth and their families value spending time outdoors, experiencing nature and creating excitement.

Our coalition partners have deep and long-standing connections to these communities, providing us with immediate access to thousands of families and youth who can guide the project to success. Our programmatic hub will be the Boys & Girls Clubs of Metro Denver (BGCMD) in the targeted geographic area. Many youth utilize the local BGCMD and many of our coalition partners have pre-existing relationships with these Clubs. Our trusted relationships with the communities we intend to serve will be the cornerstone of our inclusive, community-driven planning process and we are committed to a true collective impact model focused on developing innovative strategies that achieve sustainable and impactful results.

EXHIBIT E
Overdue Grants Policy

	GREAT OUTDOORS COLORADO POLICIES & PROCEDURES MANUAL	Policy:	Overdue Grants
		Approval Date:	June 11, 2013

I) **PURPOSE**

Great Outdoors Colorado (GOCO) understands that there are unforeseen circumstances that may interfere with a grantee's ability to complete a project by the project completion date set forth in the Grant Agreement. The Overdue Grants Policy outlines the options available to grantees to extend a grant deadline and the procedures associated with submitting grant extension requests.

II) **POLICY STATEMENT**

A grantee has two options to extend the project completion date in the Grant Agreement: a staff extension or a Board extension. Staff can grant an extension for at least 90 days and up to the date of the next scheduled GOCO Board meeting beyond that 90 days. If the grantee needs more time than that, the grantee must request a Board extension. GOCO expects the grantee to request the appropriate amount of time needed to complete the project. A grantee can request a second Board extension if needed, although this is not a favorable action.

Failure to complete a project by the original due date, or by any extended due dates authorized by staff or Board, may result in the de-authorization of the grant by the Board and a suspension from applying in future grant cycles.

III) **PROCEDURES**

A) Staff Extensions

- The grantee must submit a request for a staff extension prior to the original project completion date via email or postal mail to GOCO staff.
- Requests must include the following: a) grantee name b) project title c) contract number from the grant agreement d) original project completion date e) percent of project completion to date or due diligence items completed to date for land acquisitions f) reason for delay g) estimated date of project completion or closing g) estimated date of final report submission to GOCO, if applicable.
- A grantee may only request one staff extension.
- If the grantee needs an extension for longer than the time provided by a staff extension, the grantee can forgo the staff extension and request a Board extension.

- Staff will notify the grantee via email of the decision to grant or deny the request for a staff extension.

B) Board Extensions

- The grantee must submit a request for a Board extension prior to the original or staff extended project completion date via email or postal mail. Requests must be addressed to the GOCO Board.
- Requests must include the following: a) grantee name b) project title c) contract number from the grant agreement d) original project completion date and if applicable, staff extended project completion date e) percent of project completion to date or due diligence items completed to date for land acquisitions f) reason for delay g) estimated date of project completion or closing g) estimated date of final report submission to GOCO, if applicable.
- The Board will consider the request for Board extension at its next scheduled meeting. Staff will notify the grantee via email of the Board's decision to grant or deny the request for a Board extension.
- A grantee can request a second Board extension if additional time is needed beyond that provided by the first Board extension. Requests for a second Board extension will follow all of the procedures listed above.
