Matt Hader, Deputy City Attorney, introduced the case and introduced staff presenting the case.

Domenic Martinelli, Planner, presented case CU-121-19-21 and noted all information pertinent to noticing and publication is in the record and DRT recommendation of approval subject to following conditions:

A. This approval applies to the Development Plan dated 7/1/2019 associated with this Conditional Use Permit.

B. This conditional use permit shall expire 5 years after the date of approval. The applicant shall be required to renew the conditional use permit prior to the expiration date in order to continue utilizing the site.

C. The conditional use permit is granted only for the storage of dyed mulch chips, inbound recyclable wood product, soil, mulching material stackers, and raw wood chips at a height of no greater than 25'. All other outdoor storage on the property must comply with all outdoor storage requirements that apply to a property zoned I-2, as currently adopted or amended by the city. Any deviations from this condition will require an amendment to this application.

D. All mulch piles shall be a minimum of 100' from adjacent residential properties at any given time, measured from the property line.

E. A minimum setback of 500' for grinding and screening operations shall apply from adjacent residential properties, measured from the property line.

F. Grinding operations will not occur on the site when wind speeds exceed 15 miles per hour for a duration of at least 10 minutes.

G. The applicant shall maintain a minimum of an 8' high net on the east property boundary to prevent any wood chips from blowing onto neighboring properties.

H. The applicant shall maintain a 25' demarcation pole on the subject property, in order to assist with ongoing compliance of the 25' high pile restriction.

I. Primary drive aisles of the outdoor storage area shall be paved with recycled asphalt

and maintained by the applicant, as indicated in the approved development plan for case D-255-14-15-16-19.

J. Water trucks shall be kept and utilized on site during business hours for the spraying of mulch piles and drive aisles.

K. The property shall act in accordance with the Dust Control and Mitigation plan, included as exhibit A.

L. Due to the nature of the operations, the applicant will maintain the premises to be free of garbage, trash, and excessive wood chip debris at all times.

M. The applicant shall comply with all federal, state, and local law.

The Commission discussed new timeline of CUP, electronic loading improvements, and addressed citizen comments on previous CUP. Discussion also involved topographical survey, drop off near site, and how deep the excavation has gone on the aggregate mining facility south of the subject property.

Seeing no further discussion, Chairman Popiel invited the applicant to speak.

Ryan McBreen, 288 Clayton St STE 204, Denver, CO 80204

Applicant introduced themselves and presented. Discussion involved lack of digging on the site.

Travis Bahnsen, 16350 WCR 76, Eaton, CO 80615

Applicant discussed electronic loading system, setbacks, fencing, and resolved concerns from neighboring property. Commission discussed storage of soil and compost, manufacturing of soil, dust control plans from previous recommendations, adherence of previous recommendations, and recycling days. Discussion also involved retail and wholesale sales.

Seeing no further comments, Chairman Popiel invited the public to speak.

Steve Douglas, 10970 Unity Pkwy

Discussed possible increase of piles on site, start date of five years, and process of handling windy conditions in regards to the neighboring property.

Seeing no further verbal or written comments, Chairman Popiel called for a motion.

Further discussion consisted of the five year renewal and clarification that this site did not utilize any type of digging into the ground, but any and all digging and depressions into the ground were from the dirt and gravel quarry next door located in unincorporated Adams. Concerns were resolved.

A motion was made by Commissioner Cammack, seconded by Commissioner Ingram, that this Presentation be recommended for approvalVOTE:
