

ACSD 14 IGA Adoption - MHGP

April 16, 2018

ACSD 14 IGA Background

- Per HB 1348, agreements are required with all taxing entities:
 - ACSD 14 – Up for adoption tonight
 - Adams County - IGA
 - South Adams Water and Sanitation District - IGA
 - South Adams Fire District – IGA
 - Rangeview Library District – Agreement
 - Urban Drainage – Agreement
 - RTD – Nothing needed

ACSD 14 IGA Background

- Feb 12 CCURA meeting to discuss Adams 14 term sheet
- Reviewed and negotiated IGA based on term sheet and feedback from CCURA

IGA Major Terms

- CCURA keeps TIF revenues through the entire term of the Plan, if all financial obligations are not repaid
- Adams 14 agrees to phased TIF collection
- Any new mill rate increases in the future will not be a part of the TIF
- All school Fee-in-Lieu impact fees will paid
- The Developer will pay Adams 14 the cost to construct two modular units

IGA Major Terms

- The CCURA will provide water rights for the added modular classrooms
- The CCURA will require any Career Technical Education services provider enter into good faith negotiations to include Adams 14 as a partner in the ongoing financing, construction, and management of any facilities or programs
- While not part of this project plan, to the extent a charter school operator wants to be part of the project and CCURA agrees, CCURA will require the charter to apply thru Adams 14's charter process and obtain Adam 14's consent

Staff Recommendation

- Staff recommends that the URA Board vote to **approve** the Property Tax Increment Revenue Agreement.

Questions?
