

### Key Considerations for 2026 Budget

- Projected 2026 revenues based upon best data available through mid-2025
- Completed thorough base budget analysis and base budget setting for 2026
- Reviewed, evaluated, and prioritized budget requests and made recommendations to address staffing and other critical service needs
- Evaluated and prioritized capital needs to strategically invest in capital projects
- Maintained effective employee compensation and benefits plan to attract and retain high quality employees
- Ensured principal and interest payments for debt obligations are well covered
- Finalized proposed 2026 budget that uses available resources to meet current and ongoing needs of the city in a fiscally responsible way
- Maintained reduced, though still healthy Fund Balance levels to promote solid approach to spending/saving
