Re. Buffalo Highlands Metropolitan District – temporary board member appointments

Mr. Tinklenberg,

On behalf of the Buffalo Highlands Recall Committee, I am requesting the City Council consider at the September 16th City Council meeting immediately filling the vacancies that exist on the Buffalo Highlands Metropolitan District Board. All board members on the District Board recently resigned from the board and the District's legal counsel and accounting firm resigned as well.

Four homeowners submitted their nomination forms to run for the District's board and, because there were not more candidates running for the board than open seats on the board, the District's designated election official cancelled the election. These four homeowners will be elected to the board as of October 8th.

To ensure this active District is operating properly (including funding the District's ongoing debt service and preparing the District's 2020 budget), we request City Council immediately appoint to the District's board the following individuals who will subsequently be elected to the Board on October 8th:

1. Lisa Kaiser (9256 Quintero Street Commerce City, CO 80022)
2. Patricia Lloyd (9214 Pitkin Street Commerce City, CO 80022)
3. Brandon Young (17121 E 95th Place Commerce City, CO 80022)
4. Nicholas Webb (17181 E 95th Place Commerce City, CO 80022)

You may contact the District's designated election official, Sue Blair, to confirm these individuals are qualified to serve on the District's board. Sue Blair's contact information is as follows:
