*Ronna presented. Music in the Park budget questions were discuss, which was captured later in the subcommittee reports.*

*Larger question was posed on the 501c3 status making it so we do not receive annual board and commission funding from the city. Staff will inquire with city team, and invite someone to the next meeting to answer questions. Cultural Council likes their autonomy and access to grants, but doesn't understand why they do not receive funding from city, or receive legal council from the city, but still has a level of accountability to the city.*

*Kristi moved to approve the 2025 budget. Jackie seconded the motion, which passed 7-1.*
