Re: Commerce City General Business License Application

Commerce City promotes the health, safety and general welfare of its citizens through a comprehensive business licensing program. Your General Business License Application was received on November 7, 2017, and reviewed by several departments within the city. During this review, it was determined that the city is unfamiliar with your business and requests a more detailed description of your business operation to include, but not be limited to, what type of material is flowable fill material, is it stored on site, how is brought on site and how is it removed from the site, what are your operating hours, do you have customers on site? Please provide as much detail as possible, in writing, no later than January 9, 2018, so that the city can continue to process your application.
