Adams County Pride Festival Sponsorship Opportunity

Summary and Background Information: This event is being hosted by the Riverdale Regional Park (home of the Adams County Fair, the annual Stars and Stripes Celebration, and may other large scale outdoor events). With this event, the plan is to bring transformation movements to advance equity and justice for the LGBTQ+ people in all communities across Adams County with a full day of concerts and resource connections.

This event is offering free booth space for any organizations with resources to offer as well as requesting sponsorships in the suggested amount of \$3,000.00. (This would be in addition to the \$3,000.00 for the City's sponsorship of the Adams County Fair.)
