The City may withhold payment of any disputed amounts, and no interest will accrue on any amount withheld pending the resolution of the dispute. The City's review, approval or acceptance of, or payment for any Services shall not be construed to operate as a waiver of any rights under this Agreement, or a waiver of any cause of action arising out of the performance of this Agreement.

E. IRS Form W-9. If not on file with the City, Contractor will provide to the City a current, completed Internal Revenue Service Form W-9 with or before Contractor's first invoice. Failure to submit a W-9 may result in delay or cancellation of payment under this Agreement.

F. Subject to Annual Appropriation. This Agreement is expressly made subject to the limitations of the Colorado Constitution and Section 12, Chapter XII of the Charter of the City of Commerce City. Contractor acknowledges and accepts that nothing herein shall constitute or be deemed to constitute the creation of any kind of multiple fiscal-year debt, liability, or financial obligation of the City. Further, Contractor acknowledges and accepts that no provision of this Agreement shall be construed to create any kind of obligation of future monetary appropriations by the City Council of Commerce City that may run contrary to Article X, § 20 of the Colorado Constitution, or any other constitutional, statutory, or Charter debt limitation. Contractor acknowledges that the City has made no promise to continue to budget funds beyond the current fiscal year, and further acknowledges that the City has made no promise that it will pledge adequate cash reserves on a fiscal-year by fiscal-year basis, notwithstanding any provision of this Agreement that may be construed to the contrary. Consistent with Article X, § 20 of the Colorado Constitution, any financial obligation or liability of the City which may arise under this Agreement in any fiscal year after the date of execution, shall extend only to monies currently appropriated, and shall not constitute a mandatory charge, requirement, debt or liability beyond the current fiscal year.

Contractor represents that it is a sophisticated business, has entered into the Agreement voluntarily, and has calculated all business risks associated with this Agreement. In the event of a termination for convenience, the City will provide written notice of termination to Contractor at least fourteen (14) calendar days prior to the effective date of termination. Contractor expressly agrees to and assumes the risk that the City shall not be liable for any costs or fees of whatsoever kind and nature if termination for convenience occurs before Contractor begins any Services or portion of the Services. Once Contractor has commenced performance of the Services, Contractor expressly agrees that the City shall be liable only for work Contractor satisfactorily completed up to the point of the effective date of the notice of termination, consistent with Section III(C) of this Agreement. The Contractor shall have no claim of any kind whatsoever against the City for any termination for convenience, except for compensation for work completed to the satisfaction of the City.

If, through any cause, Contractor fails to fulfill its obligations under this Agreement in a timely and proper manner, violates any provision of this Agreement, or violates any applicable law relating to the performance of this Agreement (“Breach”), the City may terminate this Agreement for cause immediately upon written notice of termination to Contractor. Contractor will not be relieved of liability to the City for any damages sustained by the City by virtue of any Breach, and the City may withhold payment to Contractor for the purposes of setoff until such time as the exact amount of damages due to the City from Contractor is determined. If Contractor challenges a termination for cause by the City and prevails on all grounds asserted as a basis for such termination, the termination for cause will be deemed to be a termination for convenience and will be effective fourteen (14) days from the date that the original written notice of termination for cause was given to Contractor; no further notice will be required. As an alternative to immediate termination of the Agreement, the City may, but is not required, to provide written notice of a Breach to the Contractor, and allow the Contractor a reasonable period of time to cure the Breach, subject to the discretion of the City.

3. The occurrence of any one or more of the following as set forth in this non-exhaustive list shall constitute a Breach:

- c) The Contractor has submitted requests for payment under this Agreement that are fraudulent or persistently or flagrantly erroneous or misleading;
 - d) The Contractor has made an assignment or transfer of, or subcontracts, any or all of its responsibilities and obligations under this Agreement in violation of the terms of this Agreement;
 - e) The Contractor fails to obtain, renew, replace, or maintain the insurance coverage required by this Agreement, or causes or is at fault for damage to property or injury to persons that is not covered or not adequately covered by insurance and the Contractor fails to remedy the situation to the satisfaction of the City;
 - f) The Contractor fails to obtain or properly and timely maintain any financial assurances required by this Agreement;
 - g) Any lien is filed against City property because of any act or omission of the Contractor and is not timely discharged, unless the Contractor furnishes to the City such bond or other financial assurance reasonably acceptable to protect the interests of the City;

 - i) The Contractor has failed to deliver title or warranties or has failed to honor warranties as required by this Agreement;

 - k) The Contractor or any of its officers or employees are convicted, plead nolo contendere, enter into a formal agreement in which they admit guilt, enter a plea of guilty, or otherwise admit culpability to criminal offenses of bribery, kickbacks, collusive bidding, bid rigging, antitrust, fraud, undue influence, theft, racketeering, extortion or any offense of a similar nature, in connection with the Contractor's business.
4. For Non-Appropriation. Notwithstanding any other provision of this Agreement, with respect to any financial obligation of the City which may arise under this Agreement in any fiscal year after the year of execution, in the event the budget or other means of appropriation for any such year fails to provide funds in sufficient amounts to discharge such obligation, such failure (i) shall act to terminate this Agreement at such time as the then-existing and available appropriations are depleted, and (ii) neither such failure nor termination shall constitute a default or breach of this Contract, including any Work Order, sub-agreement, attachment, schedule, or exhibit thereto, by the City.

C. Effect of Termination.

1. For termination pursuant to either Section III(B)(1) or (2), above, the City will be liable only for Services Contractor performed that were actually requested by the City and completed to the City's satisfaction up to the date of the effective date of termination.

2. For termination pursuant to Section III(B)(3), above, the City will be liable only for Services that Contractor performed that were actually requested by the City and completed to the City's satisfaction up to the date of the effective date of termination, to the extent that the budget for the year of such termination provided sufficient funds to discharge such obligation.

2. Notwithstanding any claim of a material breach by the City, Contractor shall not discontinue performance of the Services without the written consent of the City.

Contractor need not indemnify or save harmless an Indemnified Party from damages resulting from the sole negligence of the Indemnified Party. Contractor will include the provisions of this Section in any such subcontracts engaged to perform any part of the Services. The provisions set forth in this Section will survive the completion of the Services and the satisfaction, expiration or termination of this Agreement.

V. WAIVER OF CONSEQUENTIAL DAMAGES; SUBROGATION

Notwithstanding any provision of this Agreement that may be construed to the contrary, in no event shall the City, including its elected and appointed officials, current and former officers and employees, servants, agents, attorneys, representatives, insurance carriers, and self-insurance pools, be liable to the Contractor for any exemplary, punitive, special, indirect, consequential, remote, or speculative damages arising out of or relating to, in any manner, this Agreement; whether arising in contract, tort, or otherwise, even if Contractor has been informed of the possibility thereof.
