Mr. Nic Berry
City Planner
City of Commerce City
7887 E. 60th Avenue
Commerce City, Colorado 80022

Nic,

The Regional Transportation District (RTD) is aware of the plan of Revesco Properties to terminate the current lease between RMA Holdings, Inc. which has allowed RTD to provide parking for RTD patrons at 104th and Revere Street. RTD has provided parking for patrons for parking at this location since 1994 and at the current facility with RTD funded improvements since 2010.

RTD is open to negotiations related to a relocated parking area to continue to serve our patrons and residents of Commerce City.

RTD has just today received possibilities for relocation, has not had an opportunity to review. We look forward to working with the City and the developer to some mutually beneficial and financially reasonable resolution to maintain service at this location.

Thanks.

Susan
