Wayfinding Design Standards

- Merje worked with a collaborative team with representation from Public Works, CMO, Community Development, and input from the Council to create
 - Wayfinding Analysis
 - Strategic Implementation Plan
 - Schematic Design
- A public outreach found that the residents liked each option nearly equally.
- During the June 17, 2024, study session, the council members expressed their preference for the blue-and-brown scheme. Inspired by the prairie sky and the calming desert brown, this scheme was chosen for its soothing and natural aesthetic.
