#### RESOLUTION APPROVING PHASED REDEVELOPMENT AGREEMENT FOR THE FORMER MILE HIGH GREYHOUND PARK

*Community Development Director Cramer provided council with a review of the item discussed at council on February 1, 2016. Mr. Cramer stated that staff has received input from the school district as directed from council. The district is supportive of the project keeping the TIF for both residential and commercial. They expressed some real concern about short-term space issues at Central Elementary School and have asked that the project figure out a way to have a voluntary contribution for the dollar amount equivalent to a modular type classroom space to be installed for the 2017 school year, including a water tap. Furthermore, they asked that if there is an additional mill levy override, the new mill levy not be included as a part of the TIF. Staff has passed the information on to REgen.*
