

Refuse & Recycling Program Update

May 16, 2016

Program Goal

- To provide services that effectively collect and dispose of solid waste in a manner that is consistent with the applicable State, Federal and local laws and regulations, while maximizing the fullest recovery of recyclable materials possible with the least impact on the environment and in a cost-effective manner so as to enhance the safety and aesthetics of the City.

Program objectives

- Minimizing the rate of waste generation through education and source reduction
- Encouraging and facilitating the recovery, reuse and recycling of material within the waste stream
- Increasing the amount and types of materials being recycled
- Improving education to increase diversion rates and waste reduction
- Expanding recycling participation

Garbage Collection (Tons) by Month, 2011-2015
