Mr. Hader introduced the case and asked that the record reflect the file contained the relevant notification and publication information. Planner Kerns reviewed the staff report and presentation including the DRT recommendation.

The board asked about road access to the site, criteria for amount of auto repair places per household in area, Les Schwab company category vs. Brakes Plus, cross walk access, code enforcement process for outside storage of vehicles, and additional sign posted on site.

Dan Sheftel, 7076 S. Alton Way, Centennial, CO 80112, authorized representative of the applicant, addressed the commission. Mr. Sheftel provided background business details regarding Brakes Plus. He stated Brakes Plus does not service tires, engines, conduct body work, hauling, or work on transmissions, but they do provide services pertaining to alignments, brakes, A/C, and shocks/struts. Mr. Sheftel stated he would consider Christian Brothers their direct competitor vs. Les Schwab. He also noted that each store is inspected quarterly for employee safety, cleanliness of store/surrounding property, and that only 1-2 vehicles stay overnight that are stored in garage for safety.
