Any obligations to dedicate real property or to pay any fees shall not be assignable unless the District is the owner of such property and able to dedicate such property and make any payments in accordance with this Agreement. In such event, the District(s) will provide facilities and services that the City and/or Owner might otherwise have to provide. Accordingly, references to “Owner” in the context of public infrastructure improvement obligations addressed in this Agreement shall be construed to mean by reference the District(s) to the extent such entities subsequently assume the obligations of Owner pursuant to the terms of this Agreement. This provision shall be effective upon the execution of this Agreement, notwithstanding the Effective Date of this Agreement, the failure of or challenge to the annexation, or the disconnection of the Property from the City.

Police Power. The Owner acknowledges that upon annexation the Property shall be subject to the same ordinances, rules, regulations, and policies as applicable to all other property presently situated within the boundaries of the City. Nothing in this Agreement shall constitute or be interpreted as a repeal of existing codes or ordinances or as a waiver or release of the City’s legislative, governmental, or police powers to promote and protect the health, safety, morals, or general welfare of the City or its residents. This Agreement shall not prohibit the enactment by the City of any fee, charter provision, ordinance, resolution, rule, or regulation which is of uniform and general application.

Waiver. The waiver of any breach of a term of this Agreement, including the failure to insist on strict compliance or to enforce any right or remedy, shall not be construed or deemed as a waiver of any subsequent breach of such term; any right to insist on strict compliance with any term; or any right to enforce any right or remedy with respect to that breach or any other prior, contemporaneous, or subsequent breach.

No Third-Party Beneficiary. No third-party beneficiary rights are created in favor of any person not party to this Agreement. Severability. If any term, provision, covenant, or condition of this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions of this Agreement shall, unless amended or modified by mutual consent of the parties, continue in full force and effect so long as enforcement of the remaining provisions would not be inequitable to the party against whom they are being enforced under the facts and circumstances then pertaining.

Counterparts. This Agreement may be executed in counterparts, each of which shall constitute one and the same instrument.
