- Interested in interviewing a CPSAB member to discuss safety policies the city is implementing or any collaboration the CPSAB has with PD to ensure the safety of Commerce City residents.

eBikes and Reducing Risk

- Education and enforcement efforts
- Community awareness and injury prevention strategies

5. Old Business

The board requested an RTCC technician to attend the next meeting to share their experience since going live.

6. Reports

Department leadership provided updates on recent public safety initiatives, major case activity, and community engagement efforts. Recent crime trends and significant investigations, including a shooting incident, were discussed, while the successful Memorial Day Parade and National Police Week events highlighted the department's ongoing community presence.

Operational achievements included the certification of two new K9 drug detection teams, the successful completion of the FTO program by four recruits, and recognition of the RTCC and Chaplain group for their valuable contributions to investigations, officer wellness, resilience training, and support services.

Community outreach efforts continue to have a positive impact. The Cops for Inclusion event served 53 families with assistance from volunteers from the Arc of Adams County, and \$1,170 raised through the Benevolent Badge Program was donated to support the organization. The Badge & Honors Ceremony was also reported as a successful event.

Leadership provided updates on future planning and funding opportunities, including potential federal support for the RTCC program and continued progress on the department's new facility project, which remains on schedule. Staff also discussed the upcoming Trespass Initiative in partnership with local businesses and provided an update on e-bike related concerns.

Additional city updates included a Fire Mitigation Project at Sand Creek, where approximately \$300,000 in Natural Disaster Mitigation grant funding was used to remove hazardous dead trees. The city is also pursuing new emergency management software to improve mobility and operational efficiency while continuing to strengthen auxiliary communication capabilities.

7. Future Agenda Topics

8. Adjourn

Any member of the public requesting accommodations concerning rights under the Americans with Disabilities Act to attend or participate in any public meeting and/or to obtain this notice in alternate formats is asked to please contact the Clerk's Office at 303-289-3611 at least 48 hours before the meeting. Para servicios de traducción al español, llame al 303-289-3611.
