DEVELOPMENT PARTNERS, LLC

TOWNSHIP 1 SOUTH, SW 1/4 OF SECTION 33, RANGE 66 WEST OF THE 6TH P.M.  
STATE OF COLORADO, COUNTY OF ADAMS, CITY OF COMMERCE CITY

PLANNING AREA	LAND USE	ACRES	% ACRES
A	COMMERCIAL	15.14	44.3%
B	RESIDENTIAL	15.11	44.2%
C	DETENTION	2.97	
	RESIDENTIAL, COMMERCIAL	3.86	11.3%
	DETENTION	.94	
	RIGHT-OF-WAY	2.13	
	E470 RIGHT-OF-WAY	2.54	
TOTAL (GROSS)		34.11	100%
TOTAL (NET - MINUS E470 RIGHT OF WAY)		31.57	92.6%

# Project Goals

- To **integrate** the residential and commercial uses through parks and amenity zones allowing pedestrians to take advantage of the **connectivity** and **greenspace** throughout the site.
- The commercial development will provide neighborhood **convenience, retail, office and varied dining opportunities**.
- The residential development will seek to provide **multiple products**, for sale and for rent, with trail and park **amenity spaces** to connect with the greater community.
- Architectural **character** of the development will employ an enhanced palette of **quality** materials articulated with textured elements, **pedestrian scaled** detailing, and a contemporary color scheme accented with natural elements.

# Core Design Values

- Create a **diverse**, mixed use neighborhood development that creates a strong **sense of place** and a **destination** for the surrounding area.
- Create a **walkable** outdoor experience that extends the hours of activities and provides the community with a **central gathering space** that offers a variety of activities for everyone to enjoy.
- Create a development that has strong **connectivity** to the surrounding neighborhood and meets the Commerce City standards to create a new benchmark for development.

Planning Objectives

**ONE BUCKLEY**  
PUD ZONE DOCUMENT

## Approval Criteria

The PUD zone document is consistent with the policies and goals of the Comprehensive Plan, any applicable adopted area plan, or community plan of the City, or reflects conditions that have changed since the adoption of the Comprehensive Plan;

## Response

The goal of this One Buckley PUD is to bring the existing Cutler Farms PUD up to the newer standard set by the Comprehensive Plan, while also incorporating features that will intend to exceed the Comprehensive Plan.

## Approval Criteria

The PUD zone document is consistent with any previously reviewed PUD concept schematic;

## Response

The existing Cutler Farms PUD was established prior to the C3 Comprehensive Plan.

### Approval Criteria

- i. **Addresses a unique situation, confers a substantial benefit to the City, or incorporates creative site design such that it achieves the purposes set out in section 21-4370 (PUD Zone District) and represents an improvement in quality over what could have been accomplished through strict applications of the otherwise applicable district or development standards. This may include but is not limited to improvements in open space; environmental protection; tree/vegetation preservation; efficient provision of streets, roads, and other utilities and services; unique architecture or design, or increased choice of living and housing environments; or**

### Response

By providing both commercial and residential uses within the site, the mix of uses is intended to make a unified community, which wouldn't be feasible under standard zoning. It will enable the applicant to deliver a vibrant project to the community that includes a series of pathways and greenspaces that will link the three zones (Commercial, Residential, and Mixed Use), creating a walkable and accessible community for all ages and abilities.

### Approval Criteria

- ii. **The PUD is required to avoid completely prohibiting a legal, permitted business use within the City;**

### Response

Not Applicable to this PUD Zone Document

\*\*\*Images shown for illustrative purposes only and are not reflective of actual development at One Buckley

## Approval Criteria

The PUD complies with all applicable City standards not otherwise modified or waived by the City;

## Response

This One Buckley PUD is not intended to waive the City Standards, but are setting standards which did not exist within the Cutler Farms PUD

## Approval Criteria

The PUD is integrated and connected with adjacent development through street connections, sidewalks, trails, and similar features;

## Response

The One Buckley PUD and its associated Traffic Variance Plan created a connection to the existing neighborhood at 121<sup>st</sup> Circle. The southern connection onto 120<sup>th</sup> Avenue will eventually connect to the development to the south. There is a proposed regional trail running north to south on the east side of the site that may establish connections to future developments.

\*\*\*Images shown for illustrative purposes only and are not reflective of actual development at One Buckley

### Approval Criteria

To the maximum extent feasible, the proposal mitigates any potential significant adverse impacts on adjacent properties or on the general community;

### Response

This development was coordinated with existing neighboring communities for access. We have considered future growth of the region for access and traffic mitigation.

### Approval Criteria

Sufficient public safety, transportation, and utility facilities and services are available to serve the subject property, while maintaining sufficient levels of service to existing development;

### Response

Proposed public safety, transportation, and utility facilities will come on-line as individual users submit for their individual development permits within the One Buckley PUD

\*\*\*Images shown for illustrative purposes only and are not reflective of actual development at One Buckley

## Approval Criteria

As applicable, the proposed phasing plan for development of the PUD is rational in terms of available infrastructure, capacity, and financing; and

## Response

Phasing will occur in a logical and cost-efficient manner based on infrastructure extension and market conditions. The project is expected to be built in phases as conditions dictate. Construction within this development will conform to or exceed the Commerce City design standards, latest edition as currently adopted or amended. Public utilities are permitted in all zone districts and shall be underground.

## Approval Criteria

The same development could not be accomplished through the use of other techniques, such as height exceptions, variances, or minor modifications.

## Response

The current Cutler Farms PUD had only one stated use, commercial. The One Buckley PUD includes multiple uses, Commercial to the south, residential to the northeast, and vertical mixed use to the northwest. By combining multiple uses we are creating a unified community experience that enhances the previous approved Cutler Farms PUD.
