REQUEST

Oakwood Homes is requesting approval of Resolution 2026-001, approving the Reunion Center Filing No. 1 Amendment No. 1 final plat.

BACKGROUND

Oakwood Homes is proposing a final plat for the northwest corner of East 104th Avenue and Tower Road. The 35.55 acre site is being subdivided into 84 residential lots, 5 commercial lots, and 2 tracts for future development (further subdivided by Reunion Center Filing 1 Amendment 2). Additionally, there are 16 tracts for open space, utilities, private roadways and drainage. The future commercial users are not known at this time.

The subject property is located within the Reunion Planned Unit Development (PUD). Reunion PUD Amendment 5, approved in 2019, designated this property as Towncenter-2 (TC-2), which allows residential and commercial uses. The applicant is proposing development of alley loaded duplexes, a private park, and required public improvements along Homestead Trail, East 104th Avenue, East 105th Avenue and Yampa Street (public Right-of-Way created by this plat).

On October 7, 2025, the Planning Commission held a public hearing to consider the proposed plat. Following the hearing, the Commission recommended Council approval of the plat by a five to zero vote.
