SCOPE OF SERVICES – LANDLORD/TENANT LEGAL SERVICES PROGRAM

November 18, 2024

Re: Letter of Commitment
Eviction Legal Defense
Continuation of Program Funding

Dear Contributing Local Governments,

Colorado Legal Services [CLS] understands it will receive funding pooled from your local governments to help support, administer, and continue the Adams and Broomfield Counties Landlord/Tenant Legal Services Program. The public purpose of this donation is to provide legal assistance to low-income households, to help prevent or mitigate the adverse familial and societal impacts of involuntary displacement and/or homelessness within the contributing jurisdictions.

Upon receipt of such funds in the approximate amount of one hundred ninety thousand dollars (\$190,000) per year for an additional term of two (2) years, CLS commits to use the funds as follows:

While referrals to other providers may be made for residents of any income level and donated funds may be used to represent clients with up to 250% of poverty through other providers, CLS will use the funds only to represent residents of the contributing jurisdiction earning up to 200% of the federal poverty guidelines, as revised each year by the federal government and implemented by the CLS Board of Directors, effective May 1, of each year.

- CLS will use the funds only to serve individuals in eviction and housing related matters.
- CLS will not use the funds to initiate or defend any cause of action or civil matter in which one of the local governments, or its housing authority, is an opposing party in an eviction action, but may use other funds to do so, if the professional responsibility of CLS staff to its clients require CLS staff to do so.
- CLS recognizes that while the initial attorney conducting intake may have contact with individuals who face actions initiated by the local governments or their housing authorities as their landlord, any referrals for or actual representation involving those entities will be provided by CLS attorneys currently representing ACHA tenants, or by other CLS attorneys not using donated Program funds, and these donated funds will not be used for client representation of local government or housing authority tenants who are currently receiving representation by CLS through other funding streams or sources. Receipt of these funds, however, in no way limits the ability of CLS to provide representation to local government or housing authority tenants with non-Program staff paid from other funding streams or sources.

- The support and cooperation of the Chief Judge, judicial officers and staff of the Adams County Court being essential to the success of the Program, CLS recognizes the autonomy of the Adams County Court in overseeing any processes that affect or interact with the court, its personnel, or its space beyond client representation, and CLS will work collaboratively with the Chief Judge or his or her designee to receive guidance on any questions, procedures, or processes within the province, domain or the responsibility of the Adams County Court.
- CLS will provide the contributing local governments with data including the number and general demographics of the individuals served, referrals made to any other legal service provider, and the outcomes of the legal representation provided. Data will be provided at least every three months until the donated funds are expended, and a cumulative summary of all services provided through the Program will be submitted at the conclusion of the Program.

CLS will use these funds for any of the following categories of expenditure: salary and benefits for an Adams County attorney to serve as the lead attorney for this continuing program who will provide the major portion of the legal representation in this Program; salary and benefits for a paralegal, who will work under the direction of the Program attorney; a portion of another CLS attorney's time, salary and benefits; and, a portion of the salary and benefits for the supervision and support of the Program staff funded herein (attorney, paralegal, and part of a second attorney's time). It is understood and agreed that the portion of the second attorney's time, and the supervisor's time attributable to this Program, will not be for cases involving any of the local government entities identified herein. The supervisory attorney, however, may represent current and future tenant in matters in dispute with local governments or housing authorities, but will do so only with other funds and will strictly account for his/her time accordingly; and any agreed upon administrative fees for volunteer attorneys, or the payment for legal representation by any non-volunteer attorney to whom cases are referred or assigned by CLS staff to an attorney or partner agency providing services by fee for service contract or other reasonable arrangement for reimbursement for the legal assistance or representation of clients.

CLS will use these funds to provide landlord-tenant legal clinics and to serve and represent clients in landlord-tenant and other housing disputes.

CLS will continue to employ a lawyer with relevant experience to oversee the Program expeditiously and efficiently. The paralegal will usually, but may not always, be the first point of contact and will screen potential applicants for services and cases, provide direct on-site advice and may provide actual representation in cases as decided by the lead attorney, in consultation with the supervising attorney(s) as appropriate. These funds and/or other CLS resources also may be used to hire one or more paralegals or other professionals deemed necessary and appropriate to perform non-representational functions in a manner that maximizes the availability of attorney resources to increase the number of clients who may be served through the Program.

The lead attorney will also refer cases to the appropriate legal or non-legal agencies for assistance. For example:

While the Adams County Court has established systems for facilitating, recommending procedures, or requiring mediation, the Program staff or volunteers may make additional or earlier referrals for mediation where such referrals do not conflict with the systems, procedures, or orders of the Adams County Court and are in the best interest of the tenant.

-Simpler cases that would still benefit from representation may be referred to the volunteer lawyers participating in the Colorado Poverty Law Project, other legal aid provider, or to supervised clinical law students attending either of the two Colorado law schools.

CLS may, but will not necessarily, include additional volunteer and/or compensated (at a reduced fee) legal services to be provided by the clinical program at the University of Denver Sturm College of Law, and/or the Colorado Poverty Law Project and/or other legal aid provider.

CLS recognizes that additional costs and staff and resources may be required to effectively continue the Program. CLS accepts the responsibility for any additional costs and resources it determines necessary to effectively implement the Program.

CLS will continue the Program for an additional 24 months. CLS will cooperate with any request for information or data, within CLS's ability, related to any local government effort or processes of the contributing local governments required to secure additional funds necessary to extend the legal assistance and representation available to lower income tenants in the contributing jurisdictions beyond the initial Program. CLS may but need not, however, create and distribute reports particular to each jurisdiction. Reports regarding work provided under the Program most often will represent all work provided under the Program.
