7. Public Hearings

Mayor Ford opened the public hearing on Resolution 2018-09 and Zoning Ordinance Z-898-18.

Planner Martinelli presented the cases. The applicant, Jesse Aragon, is applying to subdivide a 6.9 acre lot into two smaller lots in the Irondale Neighborhood and rezone the parcels from I-2 and R-1 to PUD for industrial uses. The original Irondale Subdivision was platted in 1889 with 25' lots intended for residential use. There was little development within the subdivision until the 1970s. Part of the subdivision will include a 30' right-of-way dedication to the city. The planning commission held a public hearing on February 6, 2018, and voted unanimously to forward the case to council with one condition.

Attorney David Foster appeared on behalf of the applicant. Mr. Foster stated that there were a number of issues addressed before this was presented to council. The property has been used, as it is used today, since 1987. The PUD will allow for the on site uses to be conforming and drainage improvements are planned.

Michael Aragon, applicant, appeared before council to answer any questions.
