180 Community Church

Summary & Background

180 Community Church is a community anchor focused on the residents of Commerce City. They are a collaborative partner with the City's Community Well-Being division, and we have co-hosted several events that provide services to our unhoused residents and families in need.

180 Community Church is requesting a donation of \$500 to offset the fee to rent a parking lot at Dick's to host a community "Super Hero" Trunk-or-Treat. This space will provide a safe space for the event that the Commerce City Police Department will attend. The event will be held on October 28th.

Staff Responsible (Department Head): Assistant City Manager, Jim Tolbert
