BACKGROUND/REQUEST

The purpose of this item is to discuss upcoming Study Session agendas and tentatively scheduled topics with the City Manager for the 2nd Quarter of 2026. City Council is asked to provide input on the timing of when the topics will come before Council on a study session night and request the City Manager add any additional topics.

Also provided in the packet is the life of an agenda item. Agenda items are typically scheduled by staff 60-90 days in advance on the anticipated agenda. From there, agenda items and their materials are compiled, reviewed, and finalized several weeks ahead of the agenda to ensure materials are ready for Council and the public to view and aid in the discussion and decision-making process.
