  - g. Subcontracts. If consent to engage subcontractors is granted pursuant to section 3.b. above, Contractor shall include the insurance requirements set forth in this Agreement in all subcontracts. The City shall hold Contractor responsible in the event any subcontractor fails to procure and maintain, for the duration of this Agreement, insurance meeting the requirements set forth herein. The City reserves the right to approve variations in the insurance requirements applicable to subcontractors upon joint written request of subcontractor and Contractor if, in the City’s sole discretion, such variations do not substantially affect the City’s interests.
