2022 Work Plan Goals and Targets

Background Information:

During the 2021 Winter Retreat, Council developed five new Council goals to inform the 2022 work plan. Additionally, Council gave staff direction in creating the list of targets under the goals for the 2022 work plan. Based on this input, staff has prepared a document listing the goals and targets for 2022.

Purpose:

This presentation is to give Council an opportunity to review the goals and targets prior to adoption. If Council has any feedback, staff can incorporate changes to this document. Once Council has consensus approval on this document, it may be adopted for the 2022 work plan.
