## Council Communication File Number: Res 2025-001

**Agenda Date:** 1/6/2025

**Version:** 1

**Status:** Agenda Ready

**In Control:** City Council

**File Type:** Resolution

**Agenda Number:**

A RESOLUTION AUTHORIZING AWARD OF A CONTRACT FOR BUFFALO RUN DRAINAGE PROJECT TO GREENONE INDUSTRIES, INC.

### **Summary and Background Information:**

High levels of sodium and salt in the soil at Buffalo Run make it extremely difficult to grow and maintain turf at a level that meets the minimum expectations for golfers in the community. Providing additional drainage allows the salts in the soil to be flushed so that turf conditions are healthier and significantly improved. The drainage project completed during the 2023 season has shown significant improvements to areas on the golf course; this proposed 2025 project allows for the remainder of the needed areas to be addressed.
