Business:

a. Community funds discussion

- The national government gives the city a grant but expects an outline on how the city will use the money.
- We discussed using it for: a city center for events and to act as a group of stores, a driveway for the Anythink Library and library improvement/expansion, creating jogging/biking trails, adding streetlights near Frontier and Kerney, pathways outside of Reunion, electric signs broadcasting city events, senior housing, nurseries and child care centers, expand/improve the city garden, funding for programs, and cleaning up the area around Mi Pueblo.
- There is a survey that we are encouraged to take and have family and friends take as well.
