

**RESOLUTION AUTHORIZING INTERGOVERNMENTAL AGREEMENT WITH
URBAN DRAINAGE AND FLOOD CONTROL DISTRICT REGARDING COST-
SHARING FOR PURCHASE OF IRONDALE GULCH DRAINAGE PROPERTIES**

NO. 2020-104

WHEREAS, the Urban Drainage and Flood Control District d/b/a Mile High Flood District ("District") regularly provides financial and technical assistance to public entities, such as the City of Commerce City ("City"), that have enacted floodplain regulation measures;

WHEREAS, the City and the District (together, "Parties") have previously cooperated in the preparation of a drainage outfall systems plan entitled "Irondale Gulch Outfall Systems Planning" by Moser and Associates Engineering, Inc. dated September 2011 (hereinafter called "Plan"), which identified a regional detention site at 7420 East 86th Avenue on Irondale Gulch within the City;

WHEREAS, the Parties desire to purchase the 7420 East 86th Avenue site and preserve it for future regional detention in accordance with the Plan (hereinafter called "Project");

WHEREAS, the estimated total cost for the Project is \$1,160,000;

WHEREAS, the City has requested District funding assistance for the Project, and the District has agreed to contribute \$300,000 for the Project; and

WHEREAS, the Parties desire to establish funding contributions and other obligations and responsibilities pertaining to the Project as set forth in the attached Intergovernmental Agreement.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF COMMERCE CITY, COLORADO, AS FOLLOWS:

1. The Intergovernmental Agreement is found to be in the best interests of the public and is hereby approved, substantially in the form attached hereto.
2. Upon successful finalization of the contract and approval as to form by the City Attorney, the City Manager is hereby authorized to execute, and the City Clerk to attest, the contract on behalf of the City.

RESOLVED AND PASSED THIS 21ST DAY OF DECEMBER, 2020.

CITY OF COMMERCE CITY, COLORADO

Benjamin A. Huseman, Mayor

ATTEST

Dylan A. Gibson, City Clerk
