RE: No Objection to Vacation of Right-of-Way

To: Utility Company/ Public works Representative:

We are requesting that the city of Commerce City vacate the street/alley right-of-way identified on the attached exhibit. When vacating a street/alley, the city reserves the entire right-of-way as an easement if no request has been made to remove the easement. We are requesting removal of the easement.

Please review the enclosed exhibit. If you have facilities that are located within the right-of-way that must remain in-place, please let us know so either a new easement can be created, or the utility can be relocated. As well, if you do not have, nor plan to have, facilities located within this right-of-way, please let us know.

All costs associated with easement drawings and/or facility relocation will be the responsibility of the applicant.

Please return this form by fax or email to our office after furnishing the requested information. If you have any questions or concerns about the proposed vacation, please contact our office.

Thank you for your assistance.
