Reunion Elementary School 4th Annual "Yeti Classic" Golf Tournament Sponsorship Request

Summary and Background Information:

The Reunion Elementary School PTO is inviting you to become a contributor to this year's 4th Annual "Yeti Classic" Golf Tournament. This tournament is a fundraising event. The elementary school relies on the funding collected by the PTO to help pay for supplemental, extracurricular, and technological enhancements for the students. The funds provided from this event will go toward our long term and short term goals, carefully decided upon by the administration, teachers, and the PTO. A contribution to the "Yeti Classic" whether it be a sponsorship or donation for the event's dinner auction, will help ensure the success of the 2022-2023 school year.
