July 7, 2025

Energy, Equity, and the Environment Division

Current Applications

There are no current oil and gas applications.

Oil and Gas Notice Update

As of June 20, 2025, E3 has not received any ECMC oil and gas notice updates.

Plugging and Abandonment in C3

E3 arranged for Chevron to meet with Community Development engineers to provide an overview of the replugging and abandonment process, with an emphasis on the Erger 1 site (owned by C3).

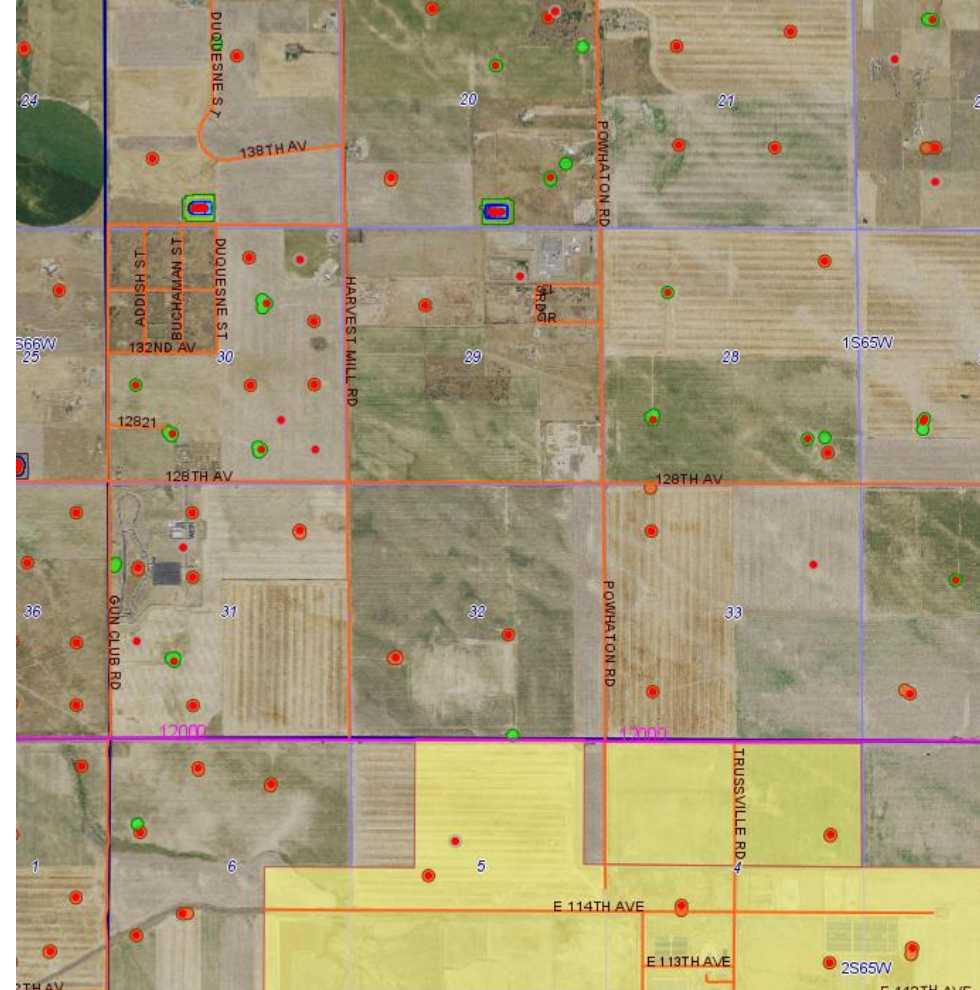

Next steps are for Chevron to provide an overview of the entire process and an estimated timeline to C3. This will include a neighborhood meeting, easements, permits, etc.

Adams County Oil and Gas Updates

The Adams County Oil and Gas Administrator notes that Providence Energy LTD (POCO) is preparing for their first required quarterly neighborhood meeting for the newly approved Wakeman and Conner Pads. They are awaiting some permits and filing other operational items.

Both are located between Powhatan Road and Gun Club Road, north of 136th Avenue.
