

Youth Master Plan

March 2, 2015

Purpose

- Approval of city's first youth master plan
- No significant edits made from the Dec. 8 version presented during city council study session

Master Plan Vision

- A strategic roadmap to assess and guide city-driven youth programming and services
- Use data to focus partnerships in a more thoughtful and strategic manner
- The plan is realistic, achievable and manageable and does not overextend or overpromise its role in youth success

Areas of Focus

- Early Childhood Development
- Youth Development
- Education
- Health and Safety
- Neighborhoods and Community

Next Steps

- City council approves master plan
- Staff starts implementing master plan by researching proposed action items with budget impact for future council discussion.

Thank you for your ongoing commitment
to the city's youth.
