A RESOLUTION TO ADOPT AND ALLOCATE FUNDS FOR AN OUTDOOR FITNESS COURT® AS PART OF THE 2022 NATIONAL FITNESS CAMPAIGN

Summary and Background Information:

As stewards of our public spaces, the PRG Division is focused on promoting resident health, safety and education through a variety of relevant programs and services for the community. One of our goals is to continue to activate the core city with more amenities designed to promote fitness and wellness. In 2021 we received a grant from the National Fitness Campaign to install an outdoor fitness court. The Fitness Court is an outdoor bodyweight circuit training center with functional fitness DNA. The best-in-class system provides a full-body workout to adults of all ability levels. With 7 functional fitness zones, the Fitness Court can be used in thousands of ways. The Fitness Court will be installed in Monaco Park, as part of the larger renovation of the park, providing local residents with a state-of-the-art outdoor free fitness facility within walking distance of their homes.

The City Council of Commerce City is committed to providing equitable access to recreational opportunities, and the PRG Department is requesting that the City Council formally support the installation of the Fitness Court through the passing of this resolution.

CDGB Funding: \$70,000 (secured July 2021)
