City Council Automatic Adjournment

Summary and Background Information:

City Council Meetings are to adjourn automatically at 10:30PM regardless of start time unless council motions to extend the meeting in any increment. Proposed Ordinance: (b) Automatic adjournment. All regular and special meetings and study sessions of the city council shall adjourn automatically at 10:30 p.m. if not adjourned by such time. At the time of adjournment, council must adjourn but may consider only a motion to extend the meeting or a motion to schedule a special meeting.
