Highlights from Halstead's presentation on public art updates;
Chairman Hanson will be shifting from the Tower Rd committee to the Fronterra Park

committee.

Halstead pitched the idea to involve students at Stuart Middle School as part of the Public Art project. Board members approved of the idea.

Bison Ridge art dedication will be an evening of celebration towards the end of May.

Eagle Pointe committee will be meeting March 3 to select finalists.

Councilman Guardiola expressed concerns from City Council around the lack of local artists.

Board member Bullock shared her experience on serving on past committees and current and talked about the focus being more on art.

Halstead went over rotating art exhibit proposal as part of past retreat conversations and cultural council goals. Board members confirmed that we should have Commerce City artists (that work or live here) for rotating art project, 2D art. Have art teachers exhibit in September/October, Adult artists in June
