4. **PURPOSE**

The original agreement’s purpose was to fund the revitalization and create open space in the Sand Creek corridor. This included removals, grading and excavation, evapo-transpirative (ET) cover construction, planting and revegetation, and monitoring well replacement. The agreement included \$1,160,000 allocated to the City of Commerce City from the Foundation Fund. The city provided a \$735,940.75 match that met NRDs criteria and \$606,120.79 in other match. The change in this agreement is that an additional \$228,523 will be allocated to Commerce City from the Foundation Fund to pay for irrigation and landscape. The amount in the original agreement that was designated for planting and revegetation was \$142,966 and this has increased due to some items being left out of the bid package. The city’s match amounts remain the same.

The Contract and all prior amendments thereto, if any, are modified as follows:

- A. Throughout the entire contract “Exhibit B”, shall be deleted and replaced with Exhibit B1.
