THIS INTERGOVERNMENTAL AGREEMENT ("Agreement"), made this _____ day of _____, 20__, by and between the STATE OF COLORADO for the use and benefit of THE DEPARTMENT OF TRANSPORTATION, whose address is 4201 East Arkansas Avenue, Denver, Colorado, hereinafter referred to as the "State" or "CDOT," and The City of Commerce City, 7887 East 60th Avenue, Commerce City, Colorado 80022, CDOT Vendor #: 2000396 (the "Local Agency.")

WHEREAS, authority exists in the law and funds have been budgeted, appropriated and otherwise made available and a sufficient uncommitted balance thereof remains available for payment of project costs in Fund Number 400, Function 1344, GL Acct 454000020, WBS Element 19970.10.50, (Contract Encumbrance Amount: \$15,700,000.00).

WHEREAS, Colorado Revised Statutes ("CRS") §43-2-106 (1) (a) provides that the Transportation Commission may determine that a state highway, or portion thereof, no longer functions as a state highway and with the agreement of each affected county or municipality the state highway, or portion thereof, is abandoned. CRS §43-2-106 (1) (b) further provides that any county or municipality receiving a payment from CDOT as a result of CRS §43-2-106 (1) (a) shall credit the payment to a special fund to be used only for transportation-related expenditures.

WHEREAS, Governor John Hickenlooper and CDOT Executive Director Don Hunt announced the Responsible Acceleration of Maintenance and Partnerships ("RAMP") program to accelerate completion of transportation projects.

WHEREAS, the Local Agency submitted an application ("Application") to CDOT for approval by the CDOT Commission to participate in the RAMP program.

WHEREAS, the CDOT Commission adopted Resolution TC-3206 on November 20, 2014 (the "Resolution") approving the list of projects shown in the document entitled "RAMP Partnership and Operations Projects – Preliminary Recommendations 10/16/2013 ("Projects List")."

WHEREAS, roadway transfers from CDOT to the Local Agency ("Devolutions") are a part of the RAMP program, and as part of the approval under the Resolution, the Local Agency now desires to obtain ownership of a portion of State Highway 2 which is located between US 6 / US 85 and I-76, beginning at northerly right of way line of 62nd Avenue and ending near the southeasterly right of way line of I-76, in Commerce City.

WHEREAS, the Local Agency proposed to take ownership of State Highway 2 in Commerce City, as described in **Exhibit A** (Roadway Plans) and **Exhibit B** (Legal Descriptions) which are attached hereto (collectively, the "Abandoned Segment"), in exchange for a payment of \$15,700,000.00 from CDOT (the "Payment"). The Abandoned Segment subject to the Exclusion, if any, is referred to as the "Highway Segment."

WHEREAS, on November 20, 2014, the CDOT Commission adopted Resolution Number

TC-3206 (**Exhibit C**) authorizing said proposal of the Local Agency be funded and specifying that the Highway Segment would be transferred in an “as is” condition in exchange for the payment by CDOT to the Local Agency on the date of the transfer of ownership of the Highway Segment to the Local Agency.

WHEREAS, the Parties desire to enter into this Agreement and agree upon the conditions of the abandonment of the Highway Segment by the State and acceptance by the Local Agency pursuant to the terms and conditions of this Agreement.

WHEREAS, the Parties are authorized to enter into this Agreement pursuant to the provisions of CRS §§ 29-1-203, 43-1-106, 43-1-110, 43-1-114, 43-202.7, 43-2-101, 43-2-106, 43-2-110, 43-2-144, and 43-2-303, as amended.

NOW, THEREFORE, it is hereby agreed that:

1. This Agreement establishes the general provisions for and defines certain responsibilities regarding the State’s abandonment and acceptance by the Local Agency of the Highway Segment.
2. This Agreement shall not be effective or enforceable until it is approved and signed by the Colorado State Controller or their designee (the “Effective Date”). The State shall not be liable to pay or reimburse the Local Agency for any performance hereunder, including, but not limited to costs or expenses incurred, or be bound by any provision hereof prior to the Effective Date.
3. The governing body of the Local Agency shall have adopted the following provisions through formal Resolution or Ordinance:
 - 1) agreeing the Highway Segment, no longer serves the ongoing purposes of the State highway system (“Provision 1”); and
 - 2) committing the Local Agency to accept ownership of the Highway Segment in the “as is” condition in exchange for a payment of \$15,700,000.00 from CDOT to be credited to a special fund to be used only for transportation-related expenditures; and specifying the following additional requirements: (2) that in exchange for Payment the Local Agency shall maintain the Highway Segment in a reasonable and safe condition as a county highway or city street and (3) pursuant to 23 USC 131, as amended (The Highway Beautification Act of 1965) (the “Act”), the Local Agency shall adhere to the standards regarding outdoor advertising and CDOT shall provide period inspection of the Highway Segment to insure standards of the Act are met (collectively, “Provision 2”).

The Local Agency adopted resolution(s) are attached hereto as **Exhibit D**.

The parties agree that (A) Provision 1 and Provision 2 do not have to be adopted by the Local Agency in the same resolution or ordinance, (B) that if Provision 2 is adopted by the Local Agency prior to the Commission Resolution (as such term is defined in Section 4 below), it shall be conditional and subject to the passage of the Commission Resolution and the transfer of ownership of the Highway Segment to the Local Agency effective upon the filing of a quit claim deed pursuant to Section 5 hereof, and (C) Provision 2 shall be adopted by the Local Agency as soon as practical and no later than 90 days after passage of the Commission Resolution.

4. Following the adoption by the Local Agency of Provision 1, the Colorado Transportation

Commission shall adopt a resolution (**Exhibit C**) abandoning the Highway Segment (the "Commission Resolution").

5. A Quit Claim Deed, similar to the form of quit claim deed attached hereto as **Exhibit E**, will be executed within 120 days of a legal description which is mutually agreed upon by the Parties. This Quit Claim Deed shall be filed by the Local Agency in the County Clerk and Recorder's Office for the Highway Segment. The Local Agency shall give CDOT a copy of the filed quit claim deed within 30 days of the Local Agency's receipt of the Payment or the Highway Segment shall be subject to reversion and the entire Payment shall be returned to CDOT without reduction. The quit claim deed will include a reversion provision stating that if the Highway Segment is not used for the purpose of a county highway or a city street, if the Local Agency does not meet the Signage Requirements or if the Local Agency attempts to transfer right-of-way to all or any portion of the Highway Segment to any party except CDOT or the State, title of the Highway Segment will automatically revert back to CDOT. The legal description of the Highway Segment that is the subject of the quit claim deed is attached hereto as **Exhibit B**.

CDOT and the Local Agency agree that upon a reversion of the Highway Segment to CDOT, a proportionate share of the Payment to the Local Agency shall be returned to CDOT, which shall be calculated as follows:

The Payment – (Monthly Fee x Maintenance Period) – [(Monthly Fee/Partial Month Days) x Elapsed Days] = payment to CDOT

The "Monthly Fee" is equal to $1/240^{\text{th}}$ of the Payment. The "Maintenance Period" is equal to the number of full months after the date of receipt of the Payment by the Local Agency through the Date of Reversion. The "Date of Reversion" is the day ownership of the Highway Segment is transferred to CDOT pursuant to this Section 5. "Partial Month Days" is the number of days in the month which is the subject of the pro rata calculation for a partial month. "Elapsed Days" is the number of elapsed days in the month which is subject of the pro rata calculation for a partial month from either (A) the Local Agency's receipt of the Payment through the end of the month or (B) the beginning of the month through the Date of Reversion.

For example, assuming that the Payment is \$9,000,000, if the Payment is received by the Local Agency on March 1, 2010 and the Highway Segment reverts to CDOT on January 13, 2011, the Local Agency must pay CDOT an amount equal to $\$9,000,000 - (\$37,500 \times 10) - [(\$37,500/31) \times 13] = \$8,609,271.19$.

If the Highway Segment reverts to CDOT more than 20 full years following the Local Agency's receipt of the Payment, no portion of the Payment shall be returned to CDOT.

6. Upon execution of this Agreement, CDOT will promptly provide the Payment of \$15,700,000.00 to the Local Agency. The Payment by the State to the Local Agency as described herein shall constitute the total consideration from the State to the Local Agency related to the abandonment and transfer of the Highway Segment.
7. The project area is located in a mixed-use corridor comprised of industrial and commercial properties that have existing or past hazardous materials on site. Of particular concern is the Rocky Mountain Arsenal, which is a National Priority List facility with well-documented soil and groundwater contamination. There are contaminated groundwater

plumes associated with Rocky Mountain Arsenal, called the Off-Post Operable Units. Groundwater contamination is being treated and monitored, in accordance with EPA-approved operation and maintenance plans. There is a possibility that groundwater beneath large portions of the project area are impacted by these groundwater plumes originating from the Rocky Mountain Arsenal. Many of these facilities are identified in the project area as having potential or recognized environmental conditions. The Local Agency, to the extent permitted by law, shall indemnify and hold-harmless CDOT from any liability and costs associated with solid or liquid hazardous waste disturbed, generated or remediated as a consequence of any work or construction post devolution of SH2.

8. The Local Agency is prohibited from transferring right-of-way to all or any portion of the Highway Segment to any party except CDOT or the State. Any such attempt to transfer right-of-way to all or any portion of the Highway Segment in violation of this Section 7 shall be deemed null and void. Upon any attempt by the Local Agency to transfer right-of-way to all or any portion of the Highway Segment to any party except CDOT or the State, the Highway Segment shall automatically revert to CDOT pursuant to Section 5 hereof.
9. If CDOT believes that the Local Agency is not maintaining the Highway Segment in a reasonable and safe condition as a county road or a city street and/or that the Local Agency is not meeting the Signage Requirements, CDOT shall notify the Local Agency in writing describing the condition. CDOT and the Local Agency shall meet as soon as reasonably possible and attempt to resolve the matter and develop a remediation plan. The Local Agency shall have a reasonable period of time to remedy such condition. If the Local Agency fails to remedy the condition to the full satisfaction of CDOT within the reasonable time period established by CDOT, the Highway Segment shall be subject to reversion pursuant to Section 5 hereof. CDOT shall provide the Local Agency with written notice of its intention to re-acquire the Highway Segment pursuant to reversion.

All notices required to be given hereunder shall be hand delivered with receipt required or sent by certified or registered mail to such party's principal representative at the address set forth below. In addition to, but not in lieu of a hard-copy notice, notice also may be sent by e-mail to the e-mail addresses, if any, set forth below. The Local Agency shall be solely responsible for all aspects of subcontracting arrangement and performance.
24. This Agreement may be executed in multiple identical original counterparts, all of which shall constitute one agreement.
