Subject: Public Comment for Upcoming Council Meeting

Hello, my name is Derek Rinehart and I'm living in Reunion. I've become aware of the Turf Replacement Program passed by the state, House Bill 22-1151, and want to know what we are doing to take advantage of it. I've tried to contact people at SACWSD but most of them don't even know what I'm talking about. This would be a great benefit for us to prepare for climate change and the future water constraints we all know are coming. Thank you!
