- Economic Development Project TBD

July 11 study session will
focus on these priorities
and seek policy guidance
on how to proceed

Characteristics of Good Budget Process

- Incorporates a long-term perspective
- Establishes linkages to broad organizational goals
- Focuses budget decisions on results and outcomes
- Involves and promotes effective communication with stakeholders
- Provides incentives to management and employees

Key Considerations for 2017

- Complete 2K projects within program goals:
 - Build high quality facilities to lower their long-term maintenance costs
 - Spend taxpayer dollars wisely and transparently
 - Complete projects on time
- Balancing capital investment while maintaining operations and service levels in expanding community
- More public engagement on CIPP process (CIPCAC)
- Organizational Development to improve service delivery
- Managing, Budgeting to Outcomes

Key Considerations for 2017

- Further alignment with council goals
- Meeting council, community expectations
- Maintain and operate existing assets
- Leveraging limited resources
- Others?

Managing, Budgeting to Outcomes

- How we move the needle
- How we measure
- Where we put resources

Commerce
CITY

City Council Goals

- Develop a balanced and vibrant economy to improve socioeconomic status
- Ensure a financially-sound city government to maintain or improve levels of service
- Develop and maintain public infrastructure to improve community appearance and encourage private investment
- Preserve and nurture a quality community to improve resident health and safety
- Engage the public to encourage community involvement, communication and to build trust

Commerce
CITY

Measures of improved socioeconomic status?

- Average wage/household income
- High School graduation rates
- Homeownership
- Unemployment rate
- Others?
