Draft Elevations

Referral Agency Comments

- No comments in opposition to zone change

Planning Commission Analysis

- Proposed zone change to I-1:
 - Consistent with Comp Plan general industrial
 - Cultural amenities also encouraged in Comp Plan
 - Compatible with surrounding industrial uses
 - Will be complimentary use to new commuter rail station TOD at 72nd & Colorado
 - Adequate public services will be provided by development
 - There are adequate public uses
 - Change will allow development for art studios and galleries, providing a unique community amenity
- Meets all approval criteria for zone change

Public Notification

- As of August 5, 2016, staff has received zero requests for additional information regarding this case.

Recommendation

- On August 2, 2016, the Planning Commission held a public hearing, took testimony, and voted 5-0 to forward the zone change request to City Council with a recommendation for **approval, subject to one condition.**
- Condition: no building permit may be issued for the property until a subdivision plat, corresponding to the rezoning request is approved by Staff.

Staff is available to answer any questions.

The applicant is also present to speak on behalf of this request and to answer any questions that the Council may have.
