Article 4

Funding, Equipment, and Budget

4.0 The Unit's funding is subject to each City's annual appropriation process.

4.1 Non-appropriation of Funds. Pursuant to law, this IGA is subject to adequate appropriation by each City in any given fiscal year. Should adequate funds not be appropriated in any fiscal year to maintain the financial obligations under the terms and conditions of this IGA, the Cities agree that the IGA shall immediately terminate.

4.2 Equipment. Each City shall provide designated office space, equipment, and supplies necessary for the Unit's personnel to perform the Services when Unit personnel are working at that City's facility.

4.3 Victim Assistance Law Enforcement ("VALE") Program funds. Each City shall contribute funds received from VALE ("VALE Funds") to the Unit to the extent such funds were identified for the Unit in the associated grant. The contribution of these funds shall be included when counting, determining, and assessing each City's funding contribution. The Cities shall jointly apply for VALE funds throughout the term of this Agreement.

4.4 General Budget. The Unit's annual budget (the "Budget") shall provide for its employee's salaries and wages (including overtime where applicable), the cost of employee benefits, operating supplies, dues and subscription fees, travel expenses, conference and educational costs. All financial and accounting services related to the Budget will be performed by Brighton. Each City shall have access to budget details upon request.

4.5 Allocation of Costs. The Unit is neither established to nor expected to generate any revenue. The costs of operation, as reflected in the budget, will be borne by the Cities according to the following formula. Each City shall contribute financially a percentage of the total approved Budget (after deducting any VALE Funds received) pursuant to the formula ("Formula") set forth herein.

4.5.1 Formula.

$$\frac{\left(\frac{\text{City Pop}}{\text{Cities Pop}} \times 100\right) + \left(\frac{\text{City VRA Cases}}{\text{Total VRA Cases}} \times 100\right) + \left(\frac{\text{City Unattended Death Cases}}{\text{Total Unattended Death Cases}} \times 100\right)}{3} = \text{City's Contribution}$$

4.5.2 Formula terms. The Formula terms are defined as follows:

City Pop =	the City's population according to the U.S. Census data of the most recent population estimate available at
------------	---

www.census.gov at the time the Budget is submitted to the Cities pursuant to Article 4.7

Cities Pop =	the combined total population of both Cities
VRA Case =	Any crime included in the Victim Rights Act as defined at C.R.S. § 24-4.1-302, as may be amended from time to time.
City VRA Cases =	number of VRA cases originating in the City's jurisdiction
Total VRA Cases =	combined total number of VRA cases from both Cities
City Unattended Death Cases =	number of unattended death cases originating in the City's jurisdiction
Total Unattended Death Cases =	combined total number of unattended death cases from both Cities
City's Contribution =	the percentage of the Budget allocated to the City for contribution to the Unit

4.5.3 In applying the Formula, all decimals will be rounded to the nearest whole number.

4.6 Each City shall have the right to inspect the financial records of the Unit. Upon request from a City, the Victim Services Manager will provide full access to the Unit's financial records, including revenues and expenditures.

4.7 Budget Approval Process. The Victim Services Manager shall provide to each City, in accordance with a timeline established by the respective Unit Liaison, the annual Budget for each City's review and approval. Each City shall review the Budget and approve the same in its sole discretion through the means set forth in that City's laws, ordinances, policies, and practices. No City shall be required to approve the Budget in whole or in part. A City, at its sole discretion, may provide a financial contribution greater than that determined by Formula.

4.8 Allocation of Funds. Each City shall make payment of appropriated funds in a lump sum to Brighton in the first quarter of the fiscal year to which the funds are to be applied.

Article 5
