The District shall dedicate the Public Improvements to the City or other appropriate jurisdiction or owners association in a manner consistent with the approved zoning ordinance and public improvement agreement and other rules and regulations of the City and applicable provisions of the City Code. The District shall not operate or maintain any part or all of the Public Improvements without the consent of the City with the exception of park and recreation improvements. The District is required and obligated to operate and maintain park and recreation improvements within the District Boundary, and all parks and trails shall be open to the general public free of charge.
