What is Code Enforcement

- The process of preventing, inspecting and mitigating nuisances on public and private premises relating to health, safety and general welfare.
- Code enforcement does not regulate aesthetics, taste, civil disputes, HOA issues or noise.
- Enforces portions of the municipal code, property maintenance and zoning code.

Why do Code Enforcement

- To encourage property owners to voluntarily resolve code violations on their property in order to ensure that Commerce City remains a community that is a clean and safe place to live, work and play.
- Other Benefits include;
 - Reduce vandalism and deter crime
 - Prevent physical and aesthetic deterioration of the community

Code Enforcement in Commerce City

- Primary Violations
 - Weed violations
 - Trash
 - Graffiti
 - Inoperable vehicles
 - Late snow removal from sidewalks
- Both Proactive and Reactive
 - Proactive includes regular sweeps, Commerce City Clean (3C's) program, Neighborhood clean-up day
 - Reactive includes responses to CRM's, phone calls and emails.
