Prior to the start of the survey, the circulators were briefed on the type of liquor license application, the areas to be surveyed and reminded to remain unbiased in their approach to business people. The circulators had with them a City approved petition/survey packet, along with a map of the proposed location. The circulators recorded all contacts, attempts and reasons for opposition signatures and refusals. At the conclusion of the survey, the circulators signed a notarized affidavit of circulation. The original survey packet was pre-filed with the City Clerk's Office.
