B. The Employee Organization further expressly agrees that in the event that any claim, lawsuit, or legal proceeding is filed or commenced by any member or members

of the Employee Organization, acting on their own personal behalf and not on behalf of the Employee Organization, challenging the language of this Agreement as being violative or void under law, the Employee Organization shall join with the City in defending, as a party defendant, the provisions and language of this Agreement.

ARTICLE 5: Management Rights

A. Intimidation Prohibited. Neither the Employee Organization nor its officers, agents, representatives, or members will intimidate, interfere with, or coerce employees who are either members or non-members of the Employee Organization. Violations of this section by any employees shall be just cause for disciplinary action. Failure of the City to enforce any of the provisions of this Article in any one or more instances shall not be considered a waiver of its provisions.

(i) With prior approval of the Chief, the Employee Organization Executive Board shall be authorized to meet twice monthly while on-duty to conduct lodge business for no more than two (2) hours per meeting.

(ii) With prior approval of the Chief, the Employee Organization Executive Board shall be authorized to attend lodge meetings up to a total of four (4) hours per meeting while on-duty. Notwithstanding the foregoing, members may attend Employee Organization meetings while on their authorized meal breaks, subject to recall.

ARTICLE 7: Negotiations and Collaborations.

A. **Contract Negotiations.** During the negotiation of a new collective bargaining agreement, up to three (3) Employee Organization officials or representatives shall be allowed time away from their assigned duties, with pay, to attend negotiation sessions that take place when the official or representative is scheduled to work. If an emergency situation, which requires an immediate police response, arises while in session, the session may be postponed until a time mutually agreed upon or the remaining officials or representatives of the Employee Organization may elect to continue the session.

B. **Meetings.** The parties understand that during the term of the Agreement, issues may arise that can be resolved through a meeting of the parties. However, a member of the Bargaining Unit, upon written notice, may revoke any such authorization by certified mail to the City Finance Director, with a copy sent to the Employee Organization.

C. Remittance to Employee Organization. Deduction of Employee Organization dues or the fair share amount shall be made on each paycheck following the pay period in which the authorization was received. The Deputy Chief assigned by the Chief must respond in writing to the grievance within ten (10) working days following the receipt of the grievance or the date of the meeting, if one is held. In the event a timely response is not made to the grievant or the Employee Organization, the grievance shall be deemed denied and shall automatically proceed to the Chief.

F. Appeal to Chief. If the grievance is not resolved to the satisfaction of the grievant or the Employee Organization by the Deputy Chief, the grievant or the Employee Organization may appeal the grievance to the Chief within ten (10) working days of receipt of the written answer of the Deputy Chief. The appeal shall contain a written explanation of the grounds for the appeal, including an explanation as to why the Employee Organization disputes the Deputy Chief's decision. Within ten (10) working days after receipt of the appeal, the Chief may meet with the grievant or, if the grievant is other than an individual, the representatives of the Employee Organization to discuss the grievance. The Chief shall respond in writing to the appeal within ten (10) working days following receipt of the appeal or the date of the meeting with the grievant and/or the representatives of the Employee Organization, if such a meeting is held.

G. Appeal to City Manager. If the grievance is not resolved to the satisfaction of the grievant or the Employee Organization by the Chief, the grievant or the Employee Organization may appeal the grievance to the City Manager within ten (10) working days of receipt of the written answer of the Chief. The appeal shall contain a written explanation of the grounds for the appeal, including an explanation as to why the

Employee Organization disputes the Chief's decision. Within ten (10) working days after receipt of the appeal, the City Manager may meet with the grievant or, if the grievant is other than an individual, the representatives of the Employee Organization to discuss the grievance. The City Manager shall respond in writing to the appeal within ten (10) working days following receipt of the appeal or the date of the meeting with the grievant and/or the representatives of the Employee Organization, if such a meeting is held.

i. The Employee Organization shall give written notice of intent to arbitrate the dispute within ten (10) working days of issuance of the written decision of the City Manager.

ii. In the event the parties are unable to agree upon a neutral arbitrator, either party or its representatives may refer the matter to the American Arbitration Association to request a list of seven (7) arbitrators, and the parties shall choose the actual arbitrator in accordance with the rules of the American Arbitration Association.

iii. The Arbitrator shall have the authority to hold meetings and make procedural rules.

iv. The finding of the Arbitrator shall be consistent with law and with the terms of this Agreement. The Arbitrator shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this Agreement.

v. The findings of the arbitrator shall be final and binding on all parties concerned.

vi. The cost of any arbitration, as well as the Arbitrator's fee shall be borne equally by the parties to this Agreement.

I. Time Frames. The number of days indicated at each level of the grievance procedure shall be considered as a maximum unless said limit is extended by mutual agreement of the parties.

J. Constitutional Protection. Nothing contained in this Article is intended to interfere with or abridge any Constitutional right of the members to petition the City.

K. Precedent. No settlement of a grievance shall be considered to establish precedent unless it is approved by the Employee Organization.

The members will bid for their shifts annually; the bidding will start no later than the first (1st) Sunday in November and end within fourteen (14) days; members will bid in order by rank and seniority. There may be special consideration for family and educational needs. Members shall not be given special consideration during their introductory period as newly hired employees. Personnel will bid for their shifts on an annual basis. The patrol sergeants will bid in the same manner. Nothing herein will limit or restrict an officer or sergeant from working the same shift during the calendar year. Members who will be unable to fill their bid position within sixty (60) days of the effective date of the bid shall not be eligible to bid, and upon their return shall be placed in a position at the discretion of the Chief.

(i) All members of the Patrol Division may trade shift assignments for good cause and with the permission of the Division Deputy Chief.

(ii) Except in cases of emergency, any time a patrol officer is required to begin a new shift less than ten (10) hours from the end of the officer's previous shift, the officer shall be entitled to overtime compensation for those hours less than ten (10) hours.

B. Detective Bureau: The members of the Detective Bureau covered by this Agreement will work four (4) consecutive ten (10) hour shifts and have three (3) days off each week, subject to rescheduling by the Chief in a week where the Detective is scheduled to appear subject to a subpoena. C. School Resource Officer: SROs' work schedule will be determined prior to the beginning of the school year and will remain in effect as long as the operational needs of the Department are met. The predetermined shift will either be a five (5) day eight (8) hour per day workweek or a four (4) day ten (10) hour per day workweek with a one (1) hour paid meal break when school is in session, i.e. days when classes are being held. When school is not in session, SROs shall take General Leave unless otherwise assigned by the Chief. When assigned in a capacity other than an SRO, the SROs will work the schedule of the area to which they are assigned.

D. Traffic Team: The Traffic Officers will generally work the same type of shift schedule as the Patrol Division officers. There may be times when it is more appropriate to their mission for them to vary their shifts to meet specific needs of the community. They will have a fifty (50) minute paid meal break and two (2) ten (10) minute "coffee" breaks. Crime Prevention Officers will select their shift assignment and vacation bids based on seniority with the City of Commerce City Police Department.

I. The Police Department shall determine the beginning time of each shift. No member may use his or her meal break to shorten his or her workday.

J. The Chief retains the right to change shifts to deal with any emergency or to meet the needs of the City.

ARTICLE 14: Health Insurance

Effective January 1, 2018 and 2019, the City shall offer members the same:

ARTICLE 15: Retiree Health Insurance

Health Insurance for retired personnel will be provided for each member who has retired with twenty (20) or more years of service. If more than one health plan is offered the City's contribution will be the full amount of the lowest premium offered. The City will pay the cost of the premiums for the retired employee. If the retired employee wishes a level of coverage other than employee-only (e.g., employee + spouse, employee + children, or family), the City will contribute one-half of the premium cost. As to retired employees receiving employee + spouse or employee + children coverage on June 15, 2016, the method of calculation of the City's contribution to premium cost in effect on that date shall not change in 2017. If more than one health plan is offered the amount will be calculated based on the lowest premium offered. Eligible members will convert to Medicare upon reaching the eligible age. The City will reimburse retired employees for "Medigap" up to \$75 per month provided that the retired employee submits evidence that he or she has paid for such coverage.

ARTICLE 16: Dental Insurance

Effective January, 2018 and 2019, the City shall contribute an amount equal to the amount it paid during the previous year toward single, employee plus one and family coverage in any dental insurance plan offered by the City. If there is an increase in the premium from the prior year, it shall be paid equally by the employee and the City. In no event shall the City pay any more than the full premium for participation in the plan chosen by the

employee. In the event there is a decrease in the premium from the prior year, such decrease shall be shared equally by the employee and the City where dental insurance premiums are paid by the employee.

ARTICLE 17: Vision Insurance

Vision Insurance will be made available to any member who desires to pay the premiums. The City will not make a financial contribution toward this plan.

ARTICLE 18: Salary Tables

B	\$ 64,412	\$ 88,867
C	\$ 69,985	\$ 93,815
D	\$ 76,034	\$ 99,039
E	\$ 82,698	\$ 104,712

Non-Commissioned Members

D	\$ 72,112	\$ 58,507
E	\$ 80,008	\$ 62,559

A. When a member is promoted within the bargaining unit to a higher paying rank/position, the member shall be placed at the closest step in the higher rank/position that results in at least a five percent (5%) increase above the base salary received prior to promotion, but notwithstanding the foregoing, no member shall be paid more than the highest step. In no event shall the member be paid more than the highest step in the salary range of the new rank/position.

B. Each Sergeant, Police Officer, Community Service Officer, and Crime Analyst, if their performance has been competent, will move to the next higher step, if any, as provided for in this Agreement on the member's anniversary date.

C. Upward movement in all steps in all employee categories covered by this Agreement is conditioned on competent performance.

D. On April 1, 2018 and 2019, the City will survey the cities of Arvada, Aurora, Boulder, Brighton, Broomfield, Northglenn, Thornton and Westminster for their minimum and maximum pay rates in the job classifications of Police Officer (the highest Police Officer grade for which the department does not require a testing process), Police Sergeant, Community Service Officer, and Crime Analyst. From the survey data, the City will calculate the average minimum and maximum pay rates in the equivalent job classifications in the surveyed cities. The resulting averages plus one percent (1%) will become the new Step A (minimum) and Step E (maximum) pay rates under the Agreement. Pay rates for intermediate steps will be increased by an equal percentage to

any increase in the Step E (maximum) pay rate. If the new pay rates are higher than the pay rates that became effective the first pay period of January of the current year, then these new pay rates will go into effect on the first pay period in May. In no event will any pay rates be reduced.

ARTICLE 19: Overtime Pay & Compensatory Time

Overtime and Compensatory Time off will be calculated on the following basis:
