

Oil & Gas Monthly Update

City Council Meeting January 2019

City Oil & Gas Permit Applications

- To date, no official permits have been submitted to the City.
- All operators have asked (at the request of the city) that holds be placed on the processing of all Form 2A's, with the additional request of a 2nd comment period.
 - 2 out of 3 operators (Extraction & Great Western) have complied with this request.
- At that time, the city will provide formal comment during the time of the 2nd comment period.
 - Extraction: January 3rd - 23rd
 - Great Western: Unknown at this time

City Limit

*All applications have been submitted by Oil & Gas operators to the COGCC. No applications have been submitted to the city for review.

General Updates – BMP's

- Held community meeting (12/6) on draft Best Management Practices (BMP) document with Extraction
 - Approximately 90 members of the community in attendance.
 - Discussed extent of progress of document and items being regulated, such as air quality, water quality protection, noise mitigation, emergency response, transportation, etc.
 - The materials shown at the meeting (including a draft copy of the BMP document) are available on the Oil and Gas webpage at c3gov.com/oilgas, under the Oil and Gas Open House Section.
 - Input from the community is still being gathered and evaluated – comments are still being accepted online on the Oil and Gas Webpage.

General Updates

- Continued meeting with FHU to develop Oil & Gas impact fee – expecting a community meeting on fee study within next 3 months.
 - Initial data gathering phase complete – currently generating model & proposed fee structure
- Continued to meet with Adams County staff regarding coordination on Oil & Gas issues.
- Council adopted minor Oil & Gas LDC amendments on 11/19.
 - The amendments are limited in scope to clarify and reorganize city regulations (including grammatical revisions) and avoid potential conflict with state law.
