CITY MANAGER'S  
OFFICE

**To:** Mayor, Mayor Pro Tem, and City Council Members

**From:** Jodi Hardee, community relations manager

**Subject:** Community Survey Result Comparisons

**Date:** January 23, 2019

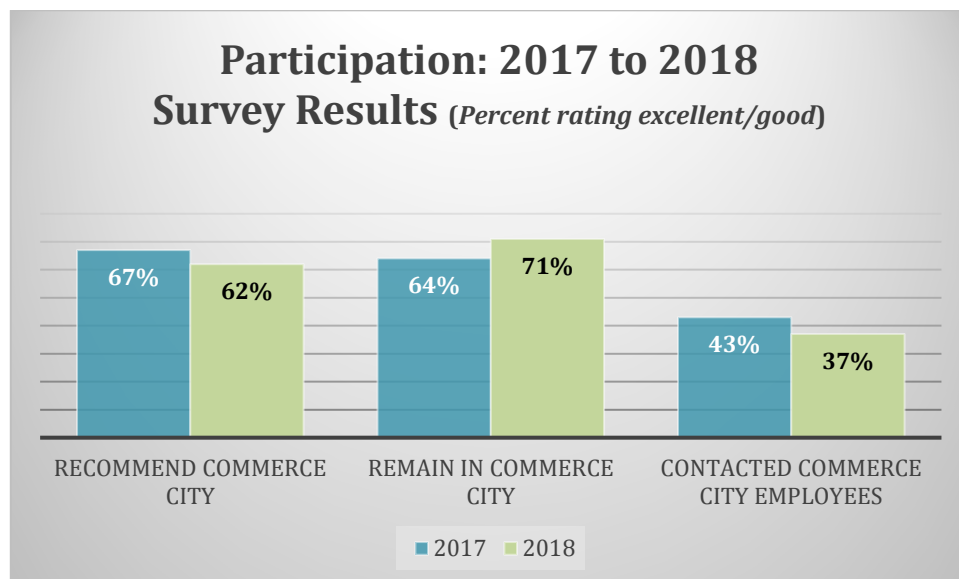

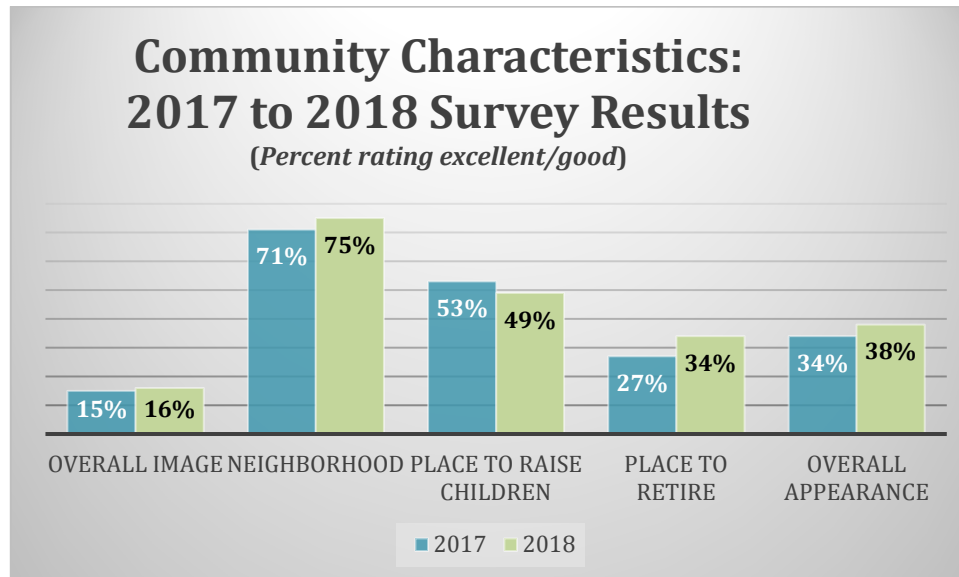

---

In 2018, the independent National Research Center (NRC) conducted the annual Commerce City Community Survey. Staff initially requested the NRC to include reports comparing 2017 to 2018 community survey data results. Due to the standardized templates for the reports, the vendor was unable to provide this data.

As this year-over-year comparison of community survey data is an important analysis to have, staff is providing those comparisons in a separate report.
