City Planner, Brayan Marin, reviewed the staff report and presentation. Staff is recommending approval of the proposed door replacement and catalyst fund request as the proposal meets the design principles of the Derby Design Guidelines and the requirements of the Land Development Code.

The applicant, Trent Younger, was present to answer questions. Mr Younger explained how the current door is very outdated and the new door will be a nicely upated outward swinging door.

The board discussed the need for a new door, the door's self closing mechanism, and handicapped accessibility.

In response to a question by the board, Planner Marin stated there is no city code requiring handicapped accessible doors.

There being no further business to discuss on the request, a motion was requested.

Request 1:
