

Oil & Gas Monthly Update

City Council Meeting July 2019

City Oil & Gas Permit Applications

- To date, no official permits have been submitted to the City.
- All operators have asked (at the request of the city) that holds be placed on the processing of all Form 2A's, with the additional request of a 2nd comment period.

CITY

Current Form 2A Applications

Site Name	Operator	Original Intervention Date or Comment Deadline	Approved?
Condor	Extraction Oil and Gas	4/25/2018	On Hold
Blue Jay	Extraction Oil and Gas	5/27/2018	On Hold
*Antelope	Petro Operating, LLC	5/31/2018	Pending
Falcon	Extraction Oil and Gas	6/9/2018	On Hold
Jacobson	Great Western Operating	7/4/2018	On Hold
Harlo	Extraction Oil and Gas	9/15/2018	On Hold
Red Tail	Extraction Oil and Gas	9/15/2018	On Hold

* The city provided a comment letter to the COGCC requesting the opening of a second comment period after further conversations with the operator occur regarding the location. The city currently opposes the proposed location of this site based on proximity to planned and existing residential, and other health and safety concerns.

New Form 2A Applications received since the last monthly update:

None

Map of COGCC Activity

Applications to the COGCC Within Commerce City Boundaries

Active as of 7/1/2019

Status of State Applications

- Spacing Unit Approved
- Spacing Unit Pending
- City Limit Boundaries
- Pending Form 2A
- Approved Form 2A

*This map represents all pending Form 2A applications, and spacing applications that have been submitted by Oil & Gas operators to the COGCC. Approval of a spacing unit by the COGCC does not constitute the ability to drill, unless Form 2's and 2a's within that section are also approved, and a city permit has been issued. No applications have been submitted to the city for review.

General Updates

- Final Oil and Gas Focus Group Meeting on 6/26
- Oil and Gas Impact Fee passed on 1st reading by City Council on 7/1
- Met with COGCC Director Jeff Robbins on 7/10
 - Discussed status of state permits, SB19-181 implementation
- Attended Broomfield LGD Roundtable meeting on 7/12
 - Updates on local regulations, upcoming state issues, regional air quality efforts

Regional Operator Agreement

- 21 day public comment period opened on Tuesday, July 9
 - Proposed ROA and all exhibits can be found at c3gov.com/oilgas
 - Hard copies available for review at Civic Center, Bison Ridge Rec Center, and Eagle Pointe Rec Center
 - Public comment can be submitted online at c3gov.com/oilgas, or in hard copy format at the Community Development Department through July 29
- Following 21 day comment period, city staff will review all feedback and public comments
 - Staff may approve the ROA, incorporate feedback received into the ROA and re-open the public comment period, or choose not to approve the ROA
- Approval of the ROA does not provide Extraction with vested rights, or the approval of any individual well site
 - Approval of a separate Oil and Gas Permit is required for all sites prior to drilling
 - As part of the ROA, pipelines are required under the Best Management Practices Exhibit (B), which requires conditional use permit approval through City Council
 - These processes (combined) may not be complete until sometime in 2020

Focus Group

- Authorized by City Council via Resolution 2019-4
- Originally scheduled for three meetings between April 24th and June 26th, 2019
 - Extended two additional meetings at the request of the focus group
- Discussion during the meetings were generally focused on seeking input on future Oil and Gas LDC updates
 - Best Management Practices
 - Zoning
 - Process
 - Enforcement
- The final focus group focused on future COGCC rulemakings, and some of the items being considered in the next year
- A wide range of opinions and ideas concerning Oil & Gas production were represented in the group

Focus Group – Discussion Topics

- **BMP's**
 - Discussed potential updates to the LDC, that were related to the protections contained in the city's draft Best Management Practices, and what items would be critical to include in an update
- **Zoning**
 - A brief introduction on how Senate Bill 181 impacts the ability for jurisdictions to regulate the use through zoning was given, as well as an overview of the description and configuration of the city's current zoning districts and future land use plan.
 - Discussion focused mostly on whether or not the city should explore regulating oil and gas wells specifically in certain zoning districts
- **Process**
 - Overview given of city's existing and potential processes, review and approval criteria as it relates to Oil and Gas, and whether any changes should be necessary. A major component of the discussion surrounded notification and outreach
- **Enforcement**
 - Discussion of the city's current enforcement provisions within the LDC, and what provisions are in the draft ROA. Discussion was then focused on what items should be added in a future update
- **COGCC Rulemaking**
 - Overview of future rulemaking topics required by SB19-181, the anticipated schedule, and how focus group members could get involved in that process. Discussion then focused on what the city's role should be in that process
- Please refer to the minutes & executive summary for more specific details

Takeaways & Next Steps

- Chance for staff to serve in a listening capacity & incorporate feedback into future code updates
- All discussion points and feedback given is currently being reviewed by staff
- Staff is currently in the process of updating LDC as it relates to Oil and Gas
 - There will be additional opportunities for public feedback and comment, community meetings, etc
- Study Sessions with Planning Commission and City Council targeted for this fall
